Re: Annual Rate Adjustment – Sec. 15.1.2

Dear Mr. Ketchem:

We have discovered that the Bureau of Labor Statistics has recently changed the naming protocol for the Producer (Wholesale) Price Index for Durable Goods utilized for the annual rate adjustment as set forth in Section 15.1.2. The designation set forth in the Agreement for Residential and Commercial Solid Waste Collection Services is WPUSOP3130. The new designation is WPUFD413112.

We have determined that there is no change procedurally so the calculation under the newly designated index is the same as would have been produced by the old.

Accordingly, we see no reason to formally amend the Agreement but propose that this letter indicate our understanding to utilize the new designation for the index.

If the above is acceptable, please send me a note agreeing to same.

Sincerely,

TONY SPADACCIA
