**THIS AGREEMENT FOR UNIFICATION OF DEVELOPMENT** (“Unification Agreement”) is entered into this 13<sup>th</sup> day of April, 2022 by and between U-HAUL CO OF FLORIDA, a Florida corporation, a subsidiary of U-Haul International, Inc., a Nevada corporation, having a business address of 790-820 S.W. 12<sup>th</sup> Avenue, Pompano Beach, Florida 33069 (“DEVELOPER”) and the CITY OF POMPANO BEACH, a Florida municipal corporation, having an address of 100 W. Atlantic Boulevard, Pompano Beach, Florida (“City”), collectively referred to as the “Parties.”

### WITNESSETH:

**WHEREAS**, DEVELOPER owns real property located at 790-820 S.W. 12th Avenue, Pompano Beach, Florida 33069, legally described and depicted in **Exhibit “A,”** which is attached and incorporated in this Agreement (“Developer’s Property”); and

**WHEREAS**, the DEVELOPER’s Property consists of a 1.416-acre parcel and a .830-acre parcel separated by SW 10<sup>th</sup> Avenue and requires unification in order to further develop the Property with a three-story self-storage building and the existing office building as depicted in **Exhibit “B,”** which is attached and incorporated in this Agreement (“Project” or “Development”); and

**WHEREAS**, the DEVELOPER has volunteered to install a private road on its Property for the direct benefit of the property owner located adjacent to and south of the Developer’s Property (“Private Road”); and

**WHEREAS**, the City, in light of the Private Road installation, would no longer find a public need or purpose for that portion of SW 10<sup>th</sup> Avenue that lies between the Developer’s Property and, therefore, would seek its abandonment following an approved inspection of the Private Road and relocation of utility infrastructure lying within SW 10<sup>th</sup> Avenue.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

- 1. Incorporation of Whereas Clauses.** The “WHEREAS” clauses of this Agreement are true and correct and are incorporated into and made a part of this Agreement.
- 2. Road Improvements.** The DEVELOPER proposes to construct a three-story self-storage and warehouse building located on the subject Property. There is an existing two-story building on the site which shall remain and shall not be modified as part of this Project.
- 3.** The Developer’s Property is separated by a public right of way (a portion of SW 10<sup>th</sup> Avenue), which provides vehicular access for the property located adjacent to and south of

Developer's Property ("Neighboring Property"). The Developer needs the City to abandon a portion of SW 10<sup>th</sup> Avenue in order to unify the Subject Property for the proposed Development.

4. DEVELOPER agrees, following approval of its application and plans, to obtain the requisite permits to construct and install the Private Road. The Private Road will consist of a new 24' wide two-lane roadway along the eastern side of the DEVELOPER's Property from SW 8<sup>th</sup> Street to the northern boundary line of the Neighboring Property, unless additional footage is needed to connect the Neighboring Property to the Private Road, in which case, the Developer shall extend the roadway. The Private Road and related improvements ("Private Road Improvements") shall be in compliance with industry standards and governmental regulations and approvals. The Private Road Improvements shall generally be consistent with the conceptual representation attached and incorporated to this Agreement as **Exhibit "C."** The Parties agree that the Private Road and Private Road Improvements will be constructed by DEVELOPER, at its sole cost. The DEVELOPER shall provide a perpetual easement, joined by the City, allowing vehicular access to and from SW 8<sup>th</sup> Street through DEVELOPER's Property to the Neighboring Property using the Private Road (the "Easement"). The Easement shall also provide for maintenance of the Private Road at DEVELOPER's sole cost. The City's joinder shall be for the sole purpose of ensuring that the Easement is not amended or terminated without the City's notice and prior approval. The DEVELOPER shall record the Easement with the Broward County Records Division before issuance of a Zoning Compliance Permit for the Development.

5. In consideration of the installation of the Private Road, and following the City's inspection and approval of the Private Road, the City agrees, following an application from the DEVELOPER, to abandon and vacate SW 10<sup>th</sup> Avenue lying between the DEVELOPER's Property for the purpose of developing the Project, as illustrated in **Exhibit "C."** Subsequently, the DEVELOPER's Property shall be unified, less the 5' right-of-way dedication required by Chapter 100, City Code.

6. **Specific Restrictions on Development of Project.** The DEVELOPER's actions including demolition, construction and installation shall be undertaken and carried out in accordance with all City Codes and Ordinances in effect on the effective date of this Agreement. The Parties agree that the Development will be governed in conformance with the following:

a. **Access.** No actions by the DEVELOPER for its Development or improvements thereon shall interfere, obstruct or hinder vehicular or pedestrian traffic proceeding along SW 8<sup>th</sup> Street as well as on Andrews Avenue, except for limited time periods for construction or development related activities where the DEVELOPER has provided no less than twenty-four hours prior notice of such construction and has received the City's approval for such activities.

b. **Development Approvals.** DEVELOPER shall submit the required applications for the Development's approvals in accordance with the City's Land Development Code.

c. Any proposed off-site City utility connections or upgrades and any existing unutilized water or sewer connections must be retired at the main pursuant to the City's specification at DEVELOPER's expense. However, no utilities existing in SW 10<sup>th</sup> Avenue will

be removed or altered until after the City's inspection and approval of the Private Road installation and abandonment of such roadway.

d. The DEVELOPER agrees to comply with all local, county, state and federal laws pertaining to the Development improvements.

7. **Building Permits; Cooperation.** The City agrees to issue to the DEVELOPER, upon application and approval, all required City building permits, utility permits, approvals or other required permits, subject to compliance with the permit conditions, this Agreement, all applicable City Codes, and the most current Florida Building Code Broward County Edition.
