Re: Resolution Request – Letter of Agreement for PEMT

I kindly request a Resolution for the City Commission to enter into an agreement with the State of Florida, Agency for Health Care Administration. This agreement is for our annual Public Emergency Medical Transportation (PEMT) intergovernmental transfer (IGT) and subsequent federal net share that we receive after remitting the IGT.

The attached amendment contains the amounts for the IGT along with the terms and conditions for the payment. We are set to receive well over a million dollars as the net share from the federal government, which is facilitated through the State of Florida, Agency for Health Care Administration.

Thank you for your time and attention.
