DATE: August 16, 2023

TO: Carla Byrd, General Services Director

FROM: Anthony Alhashemi, Project Manager

SUBJECT: Lift Station 61 Rehabilitation– Bid Award Recommendation E-16-23

On July 10, 2023 bids were opened for the above referenced project. The lowest bidder was Southern Underground Industries, with a construction cost of \$3,425,335.00.

The references supplied by Southern Underground Industries, have been checked and the above-mentioned contractor has performed multiple successful construction projects with the local municipalities.

A budget adjustment is in progress to provide the remaining funding for the project.

Being the low bidder, coupled with favorable references, it is my recommendation that the award of this contract be made to Southern Underground Industries, in the amount of \$3,425,335.00.

One Executed Bid Award Recommendation form is attached. Please prepare an agenda package for inclusion on the City Commission agenda for approval for the first meeting in September 2023.
