I live on N.E. 18 street and have been in this neighborhood since 1986. It has always been nice and peaceful neighborhood. Use to be mostly older residents but now has changed to young families. I am hoping that the Zoning Board votes NO to this sober home. The owner of this property is far removed from this area and is not involved in the recovery of these residents. He couldn't make it as an Air B & B so he figures this is the best way for him to make a fast buck. At our expense I might add. Our property values decrease. As soon as someone knows that their is Sober home in the neighborhood they don't want to purchase your house. These individuals need to be located in a commercial area, where they have better supervision and oversight. Not in a residential area with families and kids. We have no idea who these people are nor are they properly vetted. What kind of criminal pasts they may have. I understand we had two cars that have been broken into recently. It is not a good situation all the way around. I hope the Zoning Board rules in the best interest of the residents in this community and votes NO.

Thank you for taking the time to read my email.
