

**ECONOMIC DEVELOPMENT COUNCIL
MEMORANDUM #19-001**

DATE: February 14, 2019
TO: Planning and Zoning Board
FROM: Economic Development Council
SUBJECT: Landscape Code Amendments

At the Economic Development Council meeting held on January 28, 2019, Development Services staff presented Landscape Code changes to the Council. After the presentation the Board discussed the proposed changes.

Motion was made by Dodie Keith Lazowick to approve the Landscape Zoning Code Amendment, subject to the stipulation, that an inclusion be made into the Code that states an arborist and/or landscape architect must be used for the valuation of larger trees or multiple trees. Motion seconded by Joe Usman. All voted in favor of the motion. Motion passed.

As a result, the Economic Development Council would like to recommend the Planning and Zoning Board approve the request with the one identified stipulation.

Tom DiGiorgio Jr.
Chairman
Economic Development Council
