MEMORANDUM NO. 21 – 19

DATE: February 25, 2021

TO: Gregory P. Harrison, City Manager

Via: A. Randolph Brown, Utilities Director

FROM: Shana Coombs-Gordon, Utility Compliance & Efficiency Manager

SUBJECT: \$287,500 Interconnect Grant Amended Agreement Execution with FDEP

The Utilities Department received a grant from the Florida Department of Environmental Protection (FDEP) in 2018 to fund the upgrade of four existing drinking water interconnects.

City Commission approved the original grant through resolution number 2018-80 that was passed and adopted on February 13, 2018. Amendment number one was completed on March 31, 2020. This request is for the approval of amendment number two with the only change being the task end date of August 31, 2022.

The project experienced delays attributed to the completion of interlocal agreements with the City of Fort Lauderdale and Broward County. Currently, both agreements are executed and preparations are underway to bid the project.
