Dear Zoning Commission,

I'm requesting that you deny the application for special exception for folio 4843 31 11 0180.

Please deny Blue Water Beach from turning property into Hotel or Motel. There is just so much building going on in the area, it's made life on the beach unbearable.

The buildings going up on the beach are blocking our beautiful ocean views. This application if allowed to go forward will take away the last of the views for our condo association. Please I implore you not to allow that to happen!

Pompano Beach is becoming just like New York City! It's beginning to lose all of its charm with the over development.

Thank you,

Mary Cole
