

Florida's Warmest Welcome

**City of Pompano Beach
Utilities Field Operations**

Phone: (954) 786-4082

MEMORANDUM NO. 25-03

DATE: April 30, 2025

TO: Gregory P. Harrison, City Manager

VIA: A. Randolph Brown, Utilities Director

FROM: Nathaniel Watson, Utilities Field Operations Superintendent

SUBJECT: Public Utility Equipment with Related Accs. & Sup Piggyback 12835

Approval Request:

Request for City Commission approval for the award of the Hydro-Excavating Equipment and Related Services Piggyback Agreement #12835 between the City of Pompano Beach and Cues, Inc.

Explanation:

In accordance with the terms of the existing contract, Cues, Inc. provides various vehicles and equipment, including trucks designed for sewer/stormwater and hydro-excavating services. These specialized vehicles are competitively priced and offer a discount off the list price. This agreement allows the City to procure a replacement Wastewater CCTV Inspection Truck, which will be used to inspect the City's 196 miles of gravity mains visually.

Recommendation:

The Utilities Department recommends approval of Piggyback Agreement #12835. This agreement incorporates the same terms and conditions as the original contractual arrangement outlined in SC06-24 – Sewer/Storm Water, Hydro-Excavating Equipment, and Related Services, between the Houston-Galveston Area Council and Cues, Inc. The necessary funding for this purchase is allocated in budget account #412-3520-535-6405.
