Thickness (A): 2", 2 1/2", 3", and 4"
Exterior Texture: Troweled Embossed
Standard Lengths: 8'-0" to 40'-0"

Isoleren IM Stucco Embossed Example

LIGHT SANDBLAST

Light sandblast is the least aggressive abrasion type finish. Occasionally referred to as "brush-blast," this finish removes a minimal amount of matrix resulting in a "sandpaper" finish. The amount of aggregate exposed is minimal; due to the natural components used the color and texture will vary. Combination of different levels of sandblasting in conjunction with other casting accents yield dramatic and creative finish options.
