Good afternoon. I advised the commission that we will make a presentation to the Parks and Rec Board. We are still doing that. **We are just postponing that presentation until AFTER second reading.** That decision makes sense. **We should get our rezoning done before the Park and Rec Board considers the items** that we are volunteering to construct.

Hope,

Are you requesting to table the presentation of the North Ocean Park Improvement? Please confirm. I have to include your request for the second hearing of the PD-I rezoning request.
