1. Old Town Mural

Ms. Atria suggested having the mural installed on the wall across the alley from the Baily, and not on the Baily itself.

The Committee explained that this was their intention from the beginning. They then discussed the overall theme of the artwork. Mr. Davis suggested that the project subcommittee be given the opportunity to suggest a theme for the mural. They discussed reserving a space in the subcommittee for a representative from the NW CRA. They agreed on selecting Mimi Botscheller, Tobi Aycock (to serve as Chair), Sarah Benichou, and Drew Tucker (if he agrees) to serve on the subcommittee.

MOTION by Chris Mullon and Linda Houston-Jones to approve the appointments to the subcommittee as discussed. All voted in favor.
