

October 21, 2024

Dear City Commission,

At the meeting of the Public Art Committee held on October 21, 2024, the Committee recommended approval of the proposed mural presented by Archie-One for their project located at 200 North Federal Highway in Pompano. The mural by artist Claudio Picasso will be a sensational addition to the City's collection of Public/Private Art, and is a perfect design for the location with large walls as presented. We are grateful for projects like this one that help make our city exceptional.

The Committee unanimously approved the Archie-One recommendation of the Claudio Picasso mural at 200 North Federal Highway.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tobi Aycock", is written over a thin blue horizontal line.

Tobi Aycock

Chair

Public Art Committee

CC: Greg Harrison, City Manager
