Respected Commissioners/ Board Members

I'm a vendor at The festival marketplace . I'm father of 2 beautiful children ,a husband and I support my parents who live with me. I've been a vendor for 15years and this is are only source of income. This is what puts food on our table. There are more the 200 business owners like me in the marketplace. It's a livelihood for 200 business owners ,their employees and families.

I kindly request you to consider all this before processing any Rezoning approval for the marketplace

Thank you
