

Memorandum No. 20-25

DATE: February 20, 2020

TO: City Commission

FROM: Tammy Good, PMP, CIP Manager 

SUBJECT: CIP Amendment- Design/Construction of BSO Substation

At this time, we are requesting commission consideration and approval of an amendment to the Capital Improvement Plan FY2020 through FY2024 to include a new project. The project consists of constructing a new Broward Sheriff's Office (BSO) Substation, located at 441 NW 27 AVE, Pompano Beach, FL 33069.

The BSO substation will be approximately 2500 square foot, single story, which includes site development for parking. This new substation will entrench police presence in the area to negate/reduce criminal activity, thus stabilizing the neighborhood and making it a safer and better place to live.
