RE: POMP 002 Dixie Highway Streetscape Improvements Project

Please prepare a resolution for the City of Pompano Beach to execute a third Amendment to the interlocal agreement (ILA) with Broward County for the surtax-funded municipal transportation project Dixie Highway Improvements (POMP002).

This amendment modifies the schedule of reimbursement for the City to access escalation funding already awarded to the project in April 2024 and approved by the City Commission in December 2024 via Ordinance 2024-13 (second Amendment) which will facilitate staff to expedite completion of the project and the FEC at-grade crossing, the only remaining improvements before final roadway pavement, markings and finishes.

This amendment is also intended to rectify some ministerial errors between the dates included in the version of document (ILA - second amendment) approved by the County versus the one approved by the City Commission.

Staff would like to place this agenda item on the September 23rd, 2025 City Commission Meeting.
