

Pompano Beach Fire Rescue

FIRE ADMINISTRATION
MEMO # 17-A026

To: John Jurgle, Fire Chief
From: Michael Hohl, Assistant Fire Chief
Date: 11/28/16
Re: AFG Regional Grant Application – Radios

As you know, we are part of an Assistance to Firefighters Grant (AFG) Regional Grant Application with the City of Sunrise for new public safety portable radios. This regional grant application for nine (9) fire rescue agencies will provide replacement portable radios that will be compatible with the new public safety regional communications system in Broward County. The total cost of the portable radios being requested for the nine fire rescue agencies is \$2,570,535.00. The City of Pompano Beach is requesting AFG grant funding for our portion of the portable radios at a total cost of \$420,933.00. If the grant is awarded, the AFG would fund \$382,666.36 and Pompano Beach would be responsible for the remaining \$38,266.64 (10%). As such, this grant will help fund a substantial number of the needed radios that must be purchased for the new public safety regional communications system.

In order to participate in this grant, a memorandum of understanding with the City of Sunrise is required. Attached is the necessary documents to bring a resolution before the City Commission for their approval. Please let me know if you have any questions. Thank you.
