Mark- I hope all is well. As discussed in the past, the PEC recommends accepting the Purdue bankruptcy plan. I'm attaching a memo regarding same. As such, please confirm your authorization that I may accept the plan on behalf of the City. If you would like to review the plan, it is available at:

Mark- In response to your question regarding the Purdue solicitation we will handle the submission. The original date to submit the solicitation was April 5 and was just extended to April 14. We will submit the Solicitation Directive on your behalf so that we may cast your vote on

the Plan at the appropriate time. We anticipate that we will receive a summary and recommendation from the Plaintiff's Executive Committee ("PEC") regarding the acceptance or rejection of the Plan well in advance of the voting deadline so that we can discuss the matter in detail and answer any questions you may have.

Please let me know if you would like to discuss further.

Best regards, Mark
