## CURRENT FLEET

---

One Hundred Forty (140) 2014 Yamaha Electric Model Golf Cars

## **SPECIAL CONSIDERATIONS**

---

**The following special considerations apply to Pompano Beach Golf Course:**

### **REPLACEMENT PARTS AND SERVICE**

Factory authorized replacement parts, service, and warranty work are handled through Jeffrey Allen Corporation, Club Car's factory authorized dealer in Fort Lauderdale. It is Club Car's objective that Pompano Beach Golf Course will receive professional, timely, and systematic service.

Club Car offers technical training seminars for Pompano Beach employees involved with golf car operations. These seminars are held at Club Car's manufacturing facility in Augusta, Georgia, and are conducted by professional educators. The club's employees will learn preventive maintenance and repair procedures to enhance its fleet operations. A reasonable fee is charged for these seminars.

## WARRANTY

---

The following warranties apply to Pompano Beach Golf Course:

### GOLF CARS

Club Car® warrants to Pompano Beach Golf Course that its new 2018-model golf cars are free from defects in materials and workmanship subject to the terms and conditions contained in the attached Club Car Limited Lifetime Warranty.
