SUNBRELLA AWNING / MARINE 6004-0000 60" NATURAL, MARINE CANVAS FABRIC, AWNING FABRIC

SUNBRELLA AWNING / MARINE 6004-0000 NATURAL IS A FABRIC THAT IS RECOGNIZED AS THE LEADER IN AWNING MATERIALS, WORLDWIDE. IT IS AN EXCELLENT CHOICE FOR AWNING NEEDS BECAUSE THE FABRIC IS WOVEN FOR BREATHABILITY AND IT DOES NOT TRAP HEAT AND MOISTURE, THUS PREVENTING MILDEW. AS A RESULT, SUNBRELLA STAYS FRESH AND BEAUTIFUL, SEASON AFTER SEASON. EVEN THE HARSHTEST ENVIRONMENTS ARE NO MATCH FOR SUNBRELLA TOPPING. ITS RICH COLOR IS AN INTEGRAL PART OF THE FIBER AND CANNOT BE WASHED AWAY OR BLEACHED OUT BY THE SUN, RAIN OR CHLORINE. IN ADDITION TO LONGEVITY AND DURABILITY, SUNBRELLA FABRIC ALSO PROVIDES PROTECTION FROM THE SUN (SUNBRELLA FABRICS CARRY THE SKIN CANCER FOUNDATION SEAL OF RECOMMENDATION).
