**MEMORANDUM NO: 2016-49**

---

**DATE:** September 9, 2016

**TO:** Otis Thomas, General Services Director

**FROM:** Robert McCaughan, Public Works Director *RFM*

**SUBJECT:** Sample Road Beautification Project (Re-Bid)

---

Subject project enhances the center median of Sample Road with the planting of trees, bedding plants and turf grass. Another significant element included in project scope is a complete irrigation system which requires the installation of a pump, electrical service, and boring underneath Sample Road at several locations.

Project limits are Military Trail at west end and Federal Highway at east end. A total of four (4) responsive bids were received for the rebid of the project. After checking references, the Public Works Department recommends accepting the lowest bid in the amount of \$398,950 from VisualScape, Inc. The City earned a \$100,000 grant from Florida Highway Beautification Council to offset a portion of project cost. Balance of required Funding will be provided from CIP #14-222 Enhance FDOT Landscaping (302-7500-530.65-12).
