The Public Works Department recommends the City issue a Purchase Order to Deangelo Brothers, LLC, to relocate ninety-seven (97) palm trees from the I-95 Corridor to City facilities. The tree relocation is necessary for the construction of express traffic lanes on I-95. On 9/27/16, the City Commission approved a resolution authorizing proper City officials to execute a joint participation agreement between the City and FDOT for the tree relocation project.

Deangelo Brothers, LLC was awarded FDOT Contract #BDZ45: Districtwide General Landscape Services. This contract is valid through April 1, 2020. The agreement is based on a competitive solicitation, and the City Code allows us to piggyback a contract of this type. Deangelo Brothers, LLC has quoted the City in accordance with the FDOT contract. The tree relocation will be purchased from account 112-0000-354.20-00: Tree Canopy Trust Fund. Total cost is \$179,935.00.

It is recommended that the Commission give approval to piggyback FDOT Contract #BDZ45 for the relocation of ninety-seven (97) palm trees by Deangelo Brothers, LLC.
