My name is David Mata, I live at 1200 Hibiscus Ave.

I'm a strong supporter of moving this project forward without delay.

McNabb park is an eyesore. When I moved to Pompano Beach I worked for the Parks and Recreation Department. We, as well as as BSO were often sent there for reports of issues with the unhoused, drug paraphernalia and litter.

When I moved here I stayed in an apartment right across from the park for a month. I bought a racketball racket so I could play there. Unfortunately human waste and urine was often in the courts so they were unusable.

Children almost never use this park. A small group of local people play tennis there on some mornings.

This project has been voted on and approved by the commission.

I'm not sure why this and other projects, previously voted on and approved are dragging on.

I moved here in part because of the direction this city was headed in 3 years ago.

I hope we can get back on track with these projects and more.
