Dear Mr Adkins,

As a District 1 resident, I'm respectfully requesting you refrain from holding the McNab House Park meeting tonight. The city has been closed for the month of August, including commissioners. Having an important meeting that could impact the future of districted 1 and the residents while the city is still on hiatus doesn't show transparency for our community. The commissioners have an upcoming budget meeting, and should be postponed until after the budget has been passed.

Thank you

Respectfully,
Lorilyn Cooper
