- 2020-2021 Fiscal year starts October 1 and ends September 30

Consolidated Plan, Action Plan & CAPER

What does this mean to you?

- Funding from HUD is provided according to an adopted plan.
- Projects and activities must meet HUD National Objectives and goals/objectives established in the City's Consolidated Plan.
- Many strings attached.
- HUD Money=HUD Rules.

Three National Objectives

National Objectives

Each eligible activity must meet one of three national objectives:

- **Aid in the prevention of slum and blight**
- **Meet an Urgent Need**
- **Benefit low- and moderate- income persons**

Regulations at 24 CFR part 570

https://www.hudexchange.info/resources/documents/CDBG_Guide_National_Objectives_Eligible_Activities.pdf

National Objectives

- Some activities qualify under more than one national objective
- Rule of thumb, **choose the one that is easiest to document**

URGENT NEED

Aid in the Prevention of Slum and Blight

Slum & Blight

- Slum & Blight objective is divided into two categories
 - **Area Basis**; addressing conditions in an entire area
 - **Spot Basis**; addressing conditions with a single structure or location
- Regulations located at **24 CFR §§570.208(b)**

Aid in the Prevention of Slum and Blight

Typical activities designed to address blight on an area basis include these examples, when assistance is designed to address one or more of the specific conditions which originally qualified the area:

- Acquisition and clearance of blighted properties,
- Installation of a park or playground,
- Commercial revitalization through façade improvements, and
- Treatment of toxic materials on property to enable it to be redeveloped for a specific use

Urgent Need

Urgent Need

- Used to address **emergency situations**
- To meet the urgent need test:
 - Existing conditions pose serious and immediate threat to the health/welfare of the community
 - Existing conditions are recent (18 months) or recently became urgent
 - Recipient cannot finance on its own
 - Other funding sources are not available

Urgent Need

Example:

A major catastrophe such as a flood or hurricane that threatens the community's residents with the spread of serious disease. The community's other resources may well be depleted and other Federal programs may not be sufficient to cover all the costs.

**Benefit to Low- and Moderate-
Income Persons and
Households**

National Objective: LMI

- There are 4 ways an activity can satisfy the LMI national objective:
 - Area benefit
 - Limited clientele
 - Job creation or retention
 - Housing
- Regulations located at **§570.208(a)(1-4)**

Benefit to Low- and Moderate-Income Persons or Households

Area Benefit:

- Activity must benefit all residents in an area where at least 51% of the residents are Low- and/or Moderate income
- The service area must be clearly delineated by OHUI and must be primarily residential

Benefit to Low- and Moderate-Income Persons or Households

Examples:

- Water and Sewer lines
- Libraries, Neighborhood and Community Centers
- Parks, Street Improvements, and Sidewalks*

** Primarily CDBG General Capital Improvement Projects*

Ineligible Activities

 - **Exception:** modification for ADA compliance
- General government expenses i.e. trash pick-up or equipment purchase
- Political activities

Limited Clientele

Clientele presumed by HUD to be principally low- to moderate- income persons

LMI Limited Clientele

- LMI Limited Clientele activities benefit special populations (senior citizens, homeless shelters, disabled adults)
- Activities must meet one of four requirements
 - Benefit to clientele who are presumed to be principally LMI
 - Requires information that demonstrates 51% of participants are LMI
 - Participation limited to LMI only
 - Nature and location indicate activity's clientele will primarily be LMI persons.

LMI Limited Clientele

- **Limited Clientele Groups Include:**
 - Abused children;
 - Battered spouses;

Things to Remember...

- CDBG funds are not your agency's money, it is HUD's money provided to the City.
- These funds can only be used on a reimbursement basis. No payments are made until after approved cost is incurred.
- Prior cost to grant award will not be reimbursed.
