To Whom It May Concern:

This letter serves to request an Extension of the Approval of the Major Site Plan Application as referenced above, which was granted on July 22, 2020.

This extension is being requested due to the fact that my client lives in France and due to Covid-19 Travel Restrictions from France and the US Borders being closed for almost 18 months, he has not been able to conduct business in the United States to meet the Conditions of Approval as stated in the Development Order.

We truly appreciate your consideration in this matter and look forward to the construction and completion of this Project.

Should you have any further questions on this matter, please feel free to contact this office.

Sincerely,
Kaller Architecture
