Good afternoon, Greg. Please accept this as the City of Pompano Beach's formal appointment of Commissioner Andrea McGee to the MPO's Metropolitan Transportation and Engineering Construction Cooperative (MTECC) effective immediately. The City Commission is on their annual Hiatus. I have the authority to make this appointment during the month of August, 2022 which will be ratified by the City Commission when they return in September. You will enjoy working with Ms. McGee and we are proud she is our representative.

Respectfully,
