

### MEMORANDUM NO. 22-30

**DATE:** August 16, 2022

**TO:** Mayor Rex Hardin and City Manager Greg Harrison

**FROM:** John Sfiropoulos, City Engineer

**SUBJECT:** Interlocal Agreement for Bay Drive Stormwater Improvements (POMP-004)

---

Bay Drive neighborhood was identified in the City's Stormwater Master Plan as requiring stormwater improvements and the design has been completed by our consultant, Keith and associates. It was also approved for Penny for Transportation (Surtax) funding by the Metropolitan Planning Organization and the Broward County Board of County Commissioners.

Please find attached Interlocal Agreement (ILA) between City and Broward County for execution. The ILA is necessary to receive Surtax funding to pay for the proposed construction services.

The intent is to get this executed now and then go before City Commission in September for ratification. Following ILA execution, City will post the solicitation and we will subsequently go before Commission with bid award recommendation/construction contract.

Thank you,  
John
