RE: Cypress Lakes

Please prepare a Resolution to enter into a LED Lighting Agreement (see attached Exhibit 1) with the Florida Power and Light (FPL) pertaining to the above referenced neighborhood in the City of Pompano Beach whereas the City will be responsible to pay a contribution of \$159,350.53 (see Exhibit 2).

This agreement is necessary to allow FPL to install or modify lighting facilities proposed within the Cypress Lakes Area (see Location Map). As a function of this agreement, FPL will install 144 new LED light fixtures. As a result of this work, FPL plans to remove 91 units (see Exhibit 3). At the completion of all work, the City commits to pay monthly fees as depicted in the Generator Tool (see Exhibit 4).

The work will be conducted in the areas shown on the Design Plans prepared by Hillers Engineering (City's Electrical Engineer) and FPL (see Exhibit 5).

Staff would like to add this agenda item to the City Commission meeting scheduled for September 27, 2022.
