Good Morning Nicole,

Ellie forwarded me your email below. General conditions section 29, allows other governmental to piggyback this contract:

“29. Purchase by Other Governmental Agencies: Each governmental unit which avails itself of this contract will establish its own contract, place its own orders, issue its own purchase orders, be invoiced therefrom and make its own payments and issue its own exemption certificates as required by the Vendor. It is understood and agreed that Broward County is not a legally bound party to any contractual agreement made between any other governmental unit and the Vendor as a result of this solicitation.”

All six vendors awarded agreed to extend the same prices, terms, and conditions to other governmental entities.
