***Extension of Taxiway G
Pompano Beach Airpark***

Dear Cassandra:

Kimley-Horn and Associates (KHA), has reviewed the bids for the above referenced project, inserted the Engineers Estimate in your bid summary and a copy is attached.

Hardrives of Delray appears to be the apparent low bidder in the amount of \$3,608,801.30 which includes Alternates 1 and 2. This value is approximately 8.2% below the Engineers Estimate and 4.2% below the second bidder.

As part of our evaluation we contacted Holland Builders in which Hardrives listed two airport projects within the last year. A very good recommendation was received. Additionally, Hardrives listed a project at the Fort Lauderdale Executive (FXE) Airport of which KHA was the design engineer. Our staff had no outstanding issues related to the project.

Based on the bids received and references obtained KHA recommends award (including Alternates 1 and 2) to Hardrives of Delray subject to receipt of proper bonds and insurance documents.

Should you have any questions or comments regarding this information please do not hesitate to contact me.

Regards,

A handwritten signature in blue ink that reads "L. Michael Carey".

L. Michael Carey, P.E.
Vice President
