On February 28, 2017 bids were opened for the above referenced project. The lowest, and only responsive bidder was Clean Harbors Industrial Services with a price of \$199,585.00.

The references supplied by Clean Harbors Industrial Services have been checked and the "Qualifications of Bidders" have been reviewed.

Being the low bidder, coupled with favorable references, it is my recommendation that the award of this contract be made to Clean Harbors Industrial Services for the amount of \$199,585.00.

Please prepare an agenda package for inclusion on the City Commission agenda for consent approval. Please do not hesitate to contact me at ext. 7073 if any additional information is needed.

Thank you.
