Advertising

The RFP was advertised in the Sun Sentinel, and notices were sent to bid notice agencies throughout the nation. The RFP package was also posted in the City's eBid System for download by interested firms and an email notice was sent to all registered bidders.

Market Research

The General Services Department conducted outreach to five (5) Pompano Beach boat manufacturing companies, to notify them of this opportunity.

Selection/Evaluation Committee

Four (4) responses were received to the solicitation. The Selection/Evaluation Committee met on June 5, 2017 (in a public meeting) to review and evaluate the responses. All responses were scored, and the Committee decided that oral presentations would not be required as the scoring results showed sufficient distinction between the responding firms. Copies of the minutes, voting matrix, and scoring sheets are attached.

Recommendation

The recommendation from the Selection/Evaluation Committee to the City Commission is to approve the ranking order, and authorize the City staff to negotiate a contract with the highest ranked firm Elastec, Inc.
