MEMORANDUM NO. 17- 29

DATE: July 12, 2017

TO: Otis Thomas, Purchasing Director

FROM: A. Randolph Brown, Utilities Director

SUBJECT: E 27-17 Avondale Bid Award, ENCO, LLC

As part of the Stormwater Master Plan, we have designed and permitted this project. Bidding closed on 6/12/2017. We received 11 bids on the Avondale stormwater improvement project (Bid E -27-17). Our consulting engineers, Chen Moore and Associates have submitted a letter confirming that the lowest qualified bidder, ENCO, LLC is a qualified firm to construct this project. References were checked and came back very positive.

We have received a zero interest State Revolving Fund (SRF) loan for the construction of this project and a Department of Environmental Protection Grant for \$300,000. Funding will come from Stormwater account 425-7526-538-6512.

We recommend approval of the bid by the City Commission.
