Subject: ITB 201419 Pump & Electric Motor Repairs and subsequent purchase order

Good afternoon,

My name is Antonio Pucci, I am the City of Pompano Beach's Contract Manager. We are looking into possibly piggybacking your existing contract resulting from ITB 201419 with Condo Electric Motor Repair, Inc. and looking at the bid documents, in section 1.8 F it states that the purchase order is part of the contract along with a list of other documents. I have downloaded what I could find from your website, but I could not find a copy of the purchase order. Would you please confirm that we can piggyback this contract, and if allowed please provide a copy of the purchase order to complete our records?

Thank you,

Antonio Pucci
