Service Agreement

Attached is Amendment No. 1 to Ordinance 2016-81 Intermedix Service Agreement to add Fire Prevention Billing to the existing agreement with Intermedix. This will improve billing efficiency and provide an estimated annual revenue of \$600,000. The nine percent (9%) service fee is estimated at \$54,000, funded from line 001-2260-522-4555. Attached are the documents necessary to bring an ordinance before the City Commission for their approval. Thank you.
