MEMORANDUM NO. 18 – 61

DATE: September 11, 2018

TO: Otis Thomas, General Services Director

Via: A. Randolph Brown, Utilities Director

FROM: Phil Hyer, Utilities Treatment Plants Superintendent 

SUBJECT: Request for Piggyback of Contract- City of Plantation / Condo Electric Motor Repair, Corporation

Issue:

Need for ongoing repair, rehabilitation, modification and replacement of various electric motors, pumps, gearboxes, valves and associated treatment plant equipment.

Background:

The Water and Reuse treatment plants have many individual pieces of equipment which require maintenance, repair and rehabilitation, outside the scope of expertise of our Maintenance staff. The need for ongoing repair and rehabilitation of this equipment is crucial in order to maintain the operations of both plants and the City's ability to provide treated water to residents.

Condo Electric Motor Repair, Corporation has been performing these services for the Pompano Beach Treatment Plants as a piggyback agreement between the City of Homestead and Condo Electric Motor Repair, Corporation. This agreement is expiring. The City of Plantation has competitively bid, awarded and currently has a contract in place with Condo Electric Motor Repair, Corporation for these types of services, which is available to piggyback.

Recommendation:

The Utilities Department requests consideration and approval for the execution of a piggyback Agreement between Condo Electric Motor Repair, Corporation and City of Pompano Beach for the use of the contract between City of Plantation and Condo Electric Motor Repair, Corporation, on an as needed basis. The average yearly expenditure incurred has been approximately \$100,000. Funding for these services is available in the following Utilities Water and Reuse Maintenance CIP and annual operating accounts: 420-7264-533.65-11; 420-7265-533.65-11; 412-3320-533.46-30; 412-3320-533.46-40; 412-3340-533.46-30.
