### Memorandum # 18-40

**DATE:** September 12, 2018

**TO:** Gregory P. Harrison, City Manager

**FROM:** Michael Taylor, Stormwater Supervisor

**VIA:** A. Randolph Brown, Utilities Director  
Ben Bray, Utilities Superintendent

**SUBJECT:** E-10-18 Inspection and Cleaning of Stormwater/ Utilities Systems Jet Vactor Truck on Call Service

---

The City of Pompano Beach solicited Bid E-10-18 to provide inspections of the Stormwater systems and to provide on call Jet Vactor Truck services. The bid was awarded to Tele-Vac South and approved by the Commission April 24, 2018. This is a five-year contract and is not subject to renewal.

Tele-Vac South has been in operation for over 25 years and is a Pompano Beach based company. They have 8 jet vactors, 6 Closed Circuit Television (CCTV) trucks and 26 full time employees. Their response time is within the hour and will be a good benefit to the City when needed. The annual estimated value of the contract is \$250,000. Funds are available in the Stormwater budget line. Account number 425-3805-538-4640.

This service contract will allow Tele-Vac to provide on call services for Utilities, inspect and clean the Stormwater drainage systems as needed.
