Tenant shall not assign or transfer this Lease, or any interest in it, without Landlord's prior written consent, and consent to an assignment shall not be deemed to be consent to any subsequent assignment. Any assignment without consent shall be void, and shall, at the option of Landlord, terminate this Lease.

Tenant will be responsible for any taxes levied against the personal property and trade fixtures of Tenant located in and about the Premises.

b. Notwithstanding the foregoing provision, Landlord shall, after notifying Tenant of its intention to do so, have the right in its own name or behalf, or in the name and behalf of Tenant hereto, to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment.

15. REPAIRS AND DESTRUCTION OF IMPROVEMENTS.

a. **Maintenance of Improvements.** Throughout the term of this Lease, Tenant shall, at its own cost and without any expense to Landlord, keep and maintain the Premises, including all improvements of

every kind that may be a part of the Premises and all appurtenances to the Premises in good, sanitary, and neat order, condition and repair. Except as specifically provided in this Lease, during the term of this Lease, Tenant shall restore and rehabilitate any improvements of any kind that may be destroyed or damaged by fire, casualty, or any other cause whatsoever. Landlord shall not be obligated to make any repairs, replacements, or renewals of any kind whatsoever to the Premises or improvements on it. Tenant shall also comply with and abide by all federal, state, county, municipal, and other governmental statutes, ordinances, laws, and regulations affecting the Premises, the improvements on the Premises, or any activity or condition on or in the Premises.

b. Damage to And Destruction of Improvements. The damage, destruction, or partial destruction of any improvement that is a part of the Premises shall not release Tenant from any obligation under this Lease, except as expressly provided below. In case of damage to or destruction of any improvement, Tenant shall at its own expense promptly repair and restore the improvement to a condition as good as or better than that which existed prior to the damage or destruction. Without limiting the obligations of Tenant, it is agreed that the proceeds of any insurance covering the damage or destruction shall be made available to Tenant for repair or replacement.

c. Damage or Destruction Occurring Toward End of Term. Notwithstanding anything to the contrary in the immediately preceding paragraphs of this section, in case of destruction of any improvement on the Premises or damage thereto from any cause so as to make it untenable occurring during the last six (6) months of the term of this Lease, Tenant, if not then in default under this Lease, may elect to terminate this Lease by written notice served on Landlord within thirty (30) days after the occurrence of the damage or destruction. In the event of termination, there shall be no obligation on the part of Tenant to repair or restore the improvements, nor any right on the part of Tenant to receive any proceeds collected under any insurance policies covering the building or any part of the building. On termination, Tenant shall return the Premises to Landlord as provided for below in Paragraph 20. On termination, rent and any other sums payable by Tenant to Landlord under this Lease shall be prorated as of the termination date, and in the event any rent shall have been paid in advance, Landlord shall rebate them for the unexpired period for which payment shall have been made.

d. Election Not to Terminate. If, in the event of destruction or damage during the last six (6) months of the term of this Lease, Tenant does not elect to terminate this Lease, the proceeds of all insurance covering the damage or destruction shall be made available to Tenant for repair or replacement, and Tenant shall be obligated to repair the Premises as provided above.

16. UTILITIES.

Tenant shall fully and promptly pay for all water, gas, heat, light, power, telephone service, and all other public utilities furnished to the Premises throughout the term of this Lease, and all other costs and expenses in connection with the use, operation and maintenance of the Premises and all activities conducted on the Premises. Landlord shall have no responsibility of any kind for any of those costs and expenses.

17. LIENS.

a. Tenant's Duty to Keep Premises Free of Liens. Tenant shall keep all of the Premises and every part of the improvements at any time located on the Premises free and clear of any mechanics', materialmen's, and other liens arising out of or in connection with work or labor done, services performed, or materials or appliances used or furnished in connection with any operations of Tenant, any alteration,

improvement, or repairs or additions which Tenant may make or permit or cause to be made, or any work or construction, by or permitted by Tenant on or about the Premises, or any obligations of any kind incurred by Tenant. Tenant shall at all times promptly and fully pay and discharge all claims on which any lien may or could be based, and Tenant shall indemnify Landlord and all of the Premises and all improvements on the Premises against all liens and claims of liens and suits or other proceedings pertaining to those liens. Tenant shall give Landlord written notice no less than ten (10) days in advance of the commencement of any construction, alteration, addition, improvement, or repair estimated to cost in excess of \$1,000 in order that Landlord may post appropriate notices of Landlord's non-responsibility.

b. Contesting Liens. If Tenant desires to contest any lien, Tenant shall notify Landlord of its intention to do so within ten (10) days after the filing of the lien. In such a case, Tenant shall not be in default under this Lease until thirty (30) days after the final determination of the validity of the lien, within which time Tenant shall satisfy and discharge the lien to the extent held valid. However, the satisfaction and discharge of any such lien shall not, in any case, be delayed until execution is had on any judgment rendered on it, and any delay shall be a default of Tenant under this Lease. In the event of any such contest, Tenant shall protect and indemnify Landlord against all loss, expense, and damage resulting from the contest.

18. INDEMNIFICATION OF LANDLORD.

a. Landlord shall not be liable for any loss, injury, death, or damage to persons or property which at any time may be suffered or sustained by Tenant or by any person who may at any time be using or occupying or visiting the Premises or be in, on, or about the Premises, whether the loss, injury, death or damage shall be caused by or in any way result from or arise out of any act, omission, or negligence of Tenant or of any occupant, subtenant, visitor or user of any portion of the Premises, or shall result from or be caused by any other matter or thing. Tenant shall indemnify Landlord against all claims, liability, loss, or damage whatsoever on account of any such loss, injury, death, or damage. Tenant waives all claims against Landlord for damages to the improvements that are now on or will later be placed or built on the Premises and to the property of Tenant in, on or about the Premises, and for injuries to persons or property in or about the Premises, from any cause arising at any time. The preceding indemnification shall not apply to loss, injury, death, or damage arising by reason of the negligence or misconduct of Landlord or its agents or employees.

b. Notwithstanding the above, Landlord shall cooperate in the defense of any legal actions by providing information to Tenant and by providing the compilation of data and documentation to the extent necessary and pertinent to the defense or prosecution of any legal action.

19. ATTORNEY'S FEES.

If any action at law or in equity shall be brought on account of any breach of this Lease, or to enforce or interpret any of the covenants, terms, or conditions of this Lease, or for the recovery of the possession of the Premises, the prevailing party shall be entitled to recover from the other party as part of the prevailing party's costs reasonable attorney's fees, the amount of which shall be fixed by the court and shall be made a part of any judgment or decree rendered.

20. REDELIVERY OF PREMISES.

Upon the expiration or sooner termination of this Lease, Tenant shall surrender the Premises to Landlord in good order and condition subject to the provision provided for herein. Any improvements and alterations made to the Premises by Tenant during the Term of the Lease shall remain on and be surrendered with the Premises at such time.

21. REMEDIES CUMULATIVE.

All remedies conferred on Landlord shall be deemed cumulative and no one exclusive of the other, or of any other remedy conferred by law.

22. INSURANCE.

Landlord shall carry General Commercial Liability Insurance and casualty insurance for the Premises; Tenant shall carry Commercial General Liability Insurance.

23. PROHIBITION OF INVOLUNTARY ASSIGNMENT.

Neither this Lease nor the Leasehold estate of Tenant nor any interest of Tenant under the Lease in the Premises or in the improvements on the Premises shall be subject to involuntary assignment, transfer, or sale, or to assignment, transfer, or sale by operation of law in any manner whatsoever, except through statutory merger, consolidation, devise, or intestate succession. Any such attempt at involuntary assignment, transfer, or sale shall be void and of no effect.

24. NOTICE OF DEFAULT.

Tenant shall not be deemed to be in default under this Lease unless Landlord shall first give to Tenant thirty (30) days' written notice of the default and Tenant fails to cure the default within thirty (30) days or, if the default is of such a nature that it cannot be cured within such time, Tenant fails to commence to cure the default within the thirty (30) day period and thereafter diligently pursue it and complete the same within ninety (90) days.

25. DEFAULT BY TENANT.

a. Acts Constituting Default. Tenant will be considered to be in default of this Lease if any one or more of the following events shall occur:

- i.** if Tenant fails to pay any payment (other than rent) due under this Lease within thirty (30) days after the same becomes due;
- ii.** if Tenant voluntarily abandons, deserts or vacates the Premises or discontinues its operation absent a force majeure;
- iii.** if Tenant fails to perform and observe each and every other promise, covenant and agreement set forth in this Lease, performed or observed prior to the later of (a) thirty (30) days after Landlord gives written notice of such failure, or (b) if thirty (30) days is not a reasonable time to complete such performance, but Tenant commences such performance during such thirty day period, and thereafter diligently pursues it, ninety (90) days after Landlord gives such notice.

b. Remedies in Event of Breach.

- i.** In the event of any breach of this Lease by Tenant, Landlord, in addition to the other rights or remedies Landlord may have, shall have the immediate right of reentry and may remove all persons and property from the Premises. Any property may be removed and stored in a public warehouse or elsewhere at the cost of, and for the account of, Tenant. Should Landlord elect to reenter, as provided in this agreement, or should it take possession pursuant to legal proceedings or pursuant to any notice provided for by law, Landlord may terminate this Lease.
- ii.** No reentry or taking possession of the Premises by Landlord shall be construed as an election on the part of Landlord to terminate this Lease unless a written notice of Landlord's intention to terminate this Lease is given to Tenant or unless the termination of the Lease is decreed by a court of competent jurisdiction.
- iii.** Should Landlord at any time terminate this Lease for any breach, in addition to any other remedy it may have, Landlord may recover from Tenant all damages incurred by reason of the breach, including the cost of recovering the Premises, and including the worth at the time of the termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this Lease for the remainder of the stated term over the then reasonable rental value of the Premises for the remainder of the stated term, all of which amounts shall be immediately due and payable from Tenant to Landlord.

26. DEFAULT BY LANDLORD.

If Landlord fails to perform any obligation of Landlord hereunder on or before the later of (a) thirty (30) days after Tenant gives written notice that such performance is due, or (b) if thirty (30) days is not a reasonable time to complete such performance, but Landlord commences such performance in such thirty day period and thereafter diligently pursues it, ninety (90) days after Tenant gives such notice, Landlord shall be deemed in default. Until such time, Landlord shall not be deemed to be in default and Tenant shall have no remedy against Landlord for such failure. Upon default, Tenant may (a) institute action in a court of competent jurisdiction to terminate this lease or to complete performance of the agreement, and the losing party in that litigation shall pay the prevailing party all expenses of the litigation, including reasonable attorneys' fees; (b) Tenant may, after thirty (30) days written notice of such intent to the Landlord, comply with the agreement or correct any such breach and the costs of such compliance shall be payable on demand by Landlord.

b. Effect of partial condemnation.

i. In the event a portion of the Premises shall be so appropriated or taken and the remainder of the property shall not be suitable for the use then being made of the property by Tenant, or if the remainder of the property is not one undivided parcel of property, Tenant shall have the right to terminate this Lease as of the date of the taking on giving to Landlord written notice of the termination within thirty (30) days after Landlord has notified Tenant in writing that the property has been appropriated or taken.

ii. In the event of partial taking and Tenant does not terminate this Lease, this Lease shall continue in full force and effect as to the part not taken, and the rent to be paid by Tenant during the remainder of the term shall continue in the manner provided for above in Paragraph 3.

c. Condemnation Award.

i. In the event of the termination of this Lease by reason of the total or partial taking of the Premises by eminent domain, then in any condemnation proceedings Landlord and Tenant shall be free to make claim against the condemning or taking authority for the amount of any damage done to them, respectively, as a result of the taking

ii. In the event of a partial taking of the Premises and this Lease is not terminated, then Tenant shall have the right to make claim against the condemning or taking authority for only the unamortized cost of the improvements placed on the Premises by Tenant and located on the Premises at the time of the taking or appropriation, which improvements shall be deemed to amortize in equal annual amounts over the period commencing with the date of completion of the improvements and ending upon the termination of the Lease.

28. SURRENDER OF LEASE

The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation of this Lease, shall not work a merger, and shall, at the option of Landlord, terminate all or any existing subleases or subtenancies, or may, at the option of Landlord, operate as an assignment to it of any or all such subleases or subtenancies.

29. WAIVER.

The waiver by Landlord of, or the failure of Landlord to take action with respect to any breach of, any term, covenant, or condition contained in this Lease shall not be deemed to be a waiver of that term, covenant, condition, or subsequent breach, or of any other term, covenant, or condition contained in the Lease.

30. EFFECT OF TENANT'S HOLDING OVER.

Any holding over after the expiration of the term of this Lease, with consent of Landlord, shall be construed to be a tenancy from month to month, at the same monthly rent as required to be paid by Tenant for the period immediately prior to the expiration of the term of this Lease, and shall otherwise be on the terms and conditions specified in this Lease, so far as applicable.

31. PARTIES BOUND.

The covenants and conditions contained in this Lease shall, subject to the provisions as to assignment, transfer, and subletting, apply to and bind the heirs, successors, executors, administrators, and assigns of all of the parties to this Lease.
