MEMORANDUM NO. 19 – 23

DATE: Wednesday, February 6, 2019

TO: Gregory P. Harrison, City Manager

C: Brian Donovan, Assistant City Manager

VIA: A. Randolph Brown, Utilities Director

FROM: Shana Coombs-Gordon, Interim Utilities Compliance & Efficiency Manager

SUBJECT: Approval of Interlocal Agreement (ILA)

The Utilities Department is leading the Cities of Coral Springs, Coconut Creek, Margate and North Lauderdale to study the C-14 canal to look for ways to improve water quality that flows through our City.

The State recommended a multijurisdictional approach with one City as the lead. As the project lead city, Pompano Beach will pay the upfront costs and will be reimbursed by the other cities.

We are requesting the approval of the ILA in order to work with the Cities of Coral Springs, Coconut Creek, Margate and North Lauderdale to identify sources of pollution and ways to prevent pollution from entering the waters.
