DATE: September 13, 2018

TO: City Commission

FROM: Public Art Committee *Teri Gyalanella 9/13/18*

SUBJECT: Underwater Sculpture – Donald Gialanella  
Design

At the meeting of the Public Art Committee held on August 16, 2018, the Committee recommended approval of artist Donald Gialanella and his design for the Underwater Sculpture project. Due to Mr. Gialanella's prior works of art, design sketch and statement, the Committee believe that he will create a beautiful sculpture that will be exhibited on land for a period of one year before being submerged and attached to the Lady Luck in Shipwreck Park.

The Committee unanimously approved the recommendation of Donald Gialanella and his design for the Underwater Sculpture project.
