

MEMORANDUM

February 27, 2019

TO: City Commission

THRU: Greg Harrison, City Manager
Suzette Sibble, Assistant City Manager

FROM: Horacio Danovich, CIP and Innovation District Director

Issue

Staff is seeking City Commission approval of an Ordinance to enter into a contract between the City of Pompano Beach ("City") and Big Span Structures, LLC. ("Big Span") in the sum of \$3,497,974.12 to provide turnkey services for the G. O. Bond funded project "Amphitheater Renovations" (see Location Map).

Recommendation

Staff recommends Approval of the Ordinance.

Background

On March 13, 2018, a Government Obligation Bond (GO Bond) was approved via voter referendum. Monies appropriated by GO Bond will be used to offset costs of numerous improvements throughout the City. One of those initiatives pertains to the installation of a roof system over the existing seating areas at The Amphitheater.

To assist with design services, the City advertised solicitation no. RFP P-04-19 AMP Seating Coverage Addition and Big Span submitted a proposal that was recommended by a review panel as the no. 1 ranked firm.

Staff reviewed the proposed design and fees. The design is superb and the fees are within the initial budget set aside for this project.
