This 2019 Amendment to Interlocal Agreement (the "2019 Amendment") is entered into by and between Broward County, a political subdivision of the State of Florida (the "County"), and the municipalities executing a signature page bearing the above legend, each of which is a municipal corporation existing under the laws of the State of Florida (the "Municipalities") (the County and Municipalities are collectively referred to as the "Parties").

RECITALS

- A. Section 336.025(1)(b), Florida Statutes, authorizes the counties to extend the levy of the additional fifth-cent local option gas tax upon every gallon of motor fuel sold in Broward County for a period not to exceed thirty (30) years on a majority vote of the governing body of the County.
- B. On June 13, 2000, the Broward County Board of County Commissioners enacted Ordinance No. 2000-25, effective January 1, 2001, through December 31, 2031, pursuant to Section 336.025(1)(b), Florida Statutes, extending the levy of the additional fifth-cent local option gas tax for thirty (30) years and providing for a method of distribution of the proceeds of the tax.
- C. The method for distribution of the proceeds is established by an Interlocal Agreement with Municipalities representing a majority of the population of the incorporated area within the County.
- D. Paragraph 4 of the Interlocal Agreement requires annual adjustment of the division and distribution of the proceeds based upon the population of the individual Municipalities and unincorporated Broward County utilizing the population figures set forth in the most current edition of "Florida Estimates of Population," published by the Bureau of Economics and Business Research, Population Division, University of Florida.
- NOW, THEREFORE, for good and valuable consideration, and pursuant to Section 336.025(1)(b), Florida Statutes, the County and Municipalities agree as follows:
- 1. Section 2.1 of the Interlocal Agreement, as previously amended, is hereby amended to read as follows:
 - 2.1 Seventy-four percent (74%) of the total proceeds from the additional fifth-cent local option gas tax shall be distributed to the County, from which amount the County will retain forty-eight percent (48%) of the total proceeds and will distribute twenty-six percent (26%) of the total proceeds to the Municipalities

through Interlocal Agreements for Community Shuttle Services. The remaining twenty-six percent (26%) shall be distributed to the Municipalities as follows:

- 2. - 3. In the event any provision within this 2019 Amendment is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless the County or any executing Municipality necessary to maintain the cumulative majority referenced in the preceding paragraph elects to terminate the Interlocal Agreement. The election to terminate pursuant to this provision must be made within seven (7) days after such court ruling; provided, however, that if a timely notice appealing the court ruling is filed, the election shall be held in abeyance until the appeal is determined or dismissed.
- 4. Except to the extent amended, the Interlocal Agreement shall remain in full force and effect. In the event of any conflict between the terms of this 2019 Amendment and the Interlocal Agreement, as previously amended, the Parties acknowledge that this 2019 Amendment shall control.
- 5. This 2019 Amendment may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute one and the same instrument.
