SUBJECT: Mosaic Team: Trail of the Honey Bees Location

At the meeting of the Public Art Committee held on March 21, 2019, the Committee recommended approval of the north exterior wall located at 135 NE 1st Ave. for the location for a 3 foot by 3 foot mosaic mural. This location is a perfect spot for this mural to be installed as it is in a prominent location along the Trail of the Honey Bees.

The Committee unanimously approved the location for the 3 foot by 3 foot mosaic mural which will be placed on a trail starting at the building located at 731 NW 3rd Street and ending at the Cultural Arts Center. The Committee feels that this project and this location selected will enhance the aesthetic and cultural value of the City.
