EXHIBIT A

Scope of Services

The City of Pompano Beach oversees FOUR (4) bus routes under Broward County Transit's (BCT) Community Bus Program. The four routes encompass each major section of the City and interconnect with one another, allowing riders to travel throughout the City without having to utilize a different transportation service. All four of the routes connect to the Broward County's Mass Transit Center.

The vehicles and services will operate within residential and business communities. The vehicles' size, seating capacity, and other features shall be compatible with neighborhood streets that are unable to be utilized by the larger 42 passenger buses. The conduct of the operators and the vehicle's design shall be tasteful. Limousine of South Florida, Inc. will be required to operate under the terms and conditions specified in the RFP and Broward County Transit's Community Shuttle Bus Program.

Below is a summary of the routes:

Red Route The Red Route, highlighted in red on Exhibit A, is a mix of residential and business communities. The business districts serviced by the route are a mix of new and old development. The residential communities are predominately retirees, with a few professional and working class residents. Some of the roadways within the community do not receive any type of transit service, as the roads are too narrow for larger buses to pass through. The estimated headway time is 68 minutes. The route begins on the corner of Martin Luther King Jr. Boulevard. It proceeds west on Martin Luther King Jr. Boulevard to N.W. 27th Avenue where the route then heads south to Palm Aire Marketplace Plaza. From Palm Aire Marketplace Plaza the route proceeds south on Powerline Road, west on Palm Aire Boulevard North, west on Palm Aire Drive West, circles around Oaks Terrace back to Palm Aire Drive West, heads east on Palm Aire Drive West, south on Cypress Drive West towards the Palm Aire Publix where the route then heads back north on Cypress Drive West to Palm Aire Drive South, then east on Palm Aire Boulevard South passing by the Pompano Harness Track Isle of Capri Casino. The route then heads back west on Palm Aire Drive South until Powerline Road, where the route then proceeds north on Powerline Road. The route heads west on Atlantic Boulevard, north on N.W. 27th Avenue to Martin Luther King Jr. Boulevard, and then back east to the corner of Martin Luther King Jr. Boulevard.

Hours of operation: Monday – Friday from 9:00 a.m. to 4:57 p.m.

Orange Route

The Orange Route, highlighted in orange on Exhibit A, is also a mix of residential and business communities. The business districts serviced by the route are a mix of new and old development along Dixie Highway and Federal Highway. The residential communities are a mix of retirees, professional and working class residents.

The estimated headway time is 68 minutes. The route begins on the corner of Martin Luther King Jr. Boulevard and proceeds north on Dixie Highway to N.E. 33rd Street to Saint Elizabeth Gardens and Save a Lot Sample Road. The route then heads north on N.E. 15th Avenue, circles around Walmart on

N.E. 49th Street, and then heads west on N.E. 49th Street. The route turns south on N.E. 3rd Avenue, east on Sample Road and south on Federal Highway, and back on N.E. 33rd Street west, and on N.E. 3rd Avenue south. The route proceeds east on Copans Road towards Pompano Beach City Center and then heads south on Federal Highway, west on N.E. 10th Street, and then back south on N.W. 3rd Avenue to the corner of Martin Luther King Jr. Boulevard.

Hours of operation: Monday – Friday from 9:00 a.m. to 4:57 p.m.

Green Route

The area's residents are a mix of professionals and retirees. However, the City's Coastal Area is a popular destination for both residents and visitors alike, especially between the months of November and April. Accordingly, transit users consist of a mix of local residents and those who reside outside the Coastal Community, whom utilize public transportation to travel to popular destinations along the City's beaches. Some of the roadways within the community do not receive transit service since they are narrow and difficult to navigate with the 42-passenger buses. Thus, those desiring to travel to certain destinations east of Federal Highway are forced to walk on side streets to access certain destinations. The Green Route, highlighted in green on Exhibit A (attached), has an estimated headway of sixty (68) minutes. The route begins at the E. Pat Larkins Community Center. The route heads east on Martin Luther King Jr. Boulevard towards Dixie Highway, where the route then turns south on Dixie Highway towards East Atlantic Boulevard. The route proceeds east on East Atlantic Boulevard, south towards Lakeside Shoppes before heading north on Pompano Beach Boulevard on to A1A North. The route heads east on N.E. 14th Street, north on North Federal Highway towards Pompano Citi Centre before heading south on North Federal Highway, turns west on N.E. 10th Street, south on N.E. 18th Avenue, east on N.E. 6th Street going towards N.E. 26th Avenue, where the route then goes south on N.E. 26th Avenue and back west on East Atlantic Boulevard. The route turns north on N.E. 24th Avenue and heads west on N.E. 2nd Street, north on N.E. 19th Avenue and then west on N.E. 4th Street and back to the E. Pat Larkins Community Center.

Hours of operation: Monday – Friday from 9:00 a.m. to 4:52 p.m.

Blue Route

The Blue route, highlighted in blue on Exhibit A, mainly targets the City's working class residents. The route passes predominantly through residential sections of the City, as a number of the residents encompassed by the route rely on public transportation as their main mode of transportation.

The Blue Route has an estimated headway of 80 minutes. The route begins by the intersection of Martin Luther King, Jr. Boulevard and Dixie Highway at the Northeast Transit Center. The route proceeds north on N.W. 6th Avenue and then goes west on N.W. 15th Street to Andrews Avenue. The route turns south on Andrews Avenue to Martin Luther King Jr. Boulevard. The route proceeds east on Martin Luther King Jr. Boulevard, south on S.W. 1st Avenue, south on Cypress Road, east on S.W. 4th Street, north on South Dixie Highway, west on S.W. 2nd Court, northeast on Avondale Drive, east on S.W. 2nd Street, north on South Dixie Highway, then north on N.W. 3rd Avenue passing by the Northwest Pompano Beach Library. The route heads east on Copans Road, then north on N.E. 3rd Avenue to the North Broward Hospital, and then back south on N.E. 3rd Avenue where it travels east along W. Sample Rd towards the Festival Flea Market Mall on Blount Rd. Afterwards, the route

continues south on Blount Rd. to the Broward Outreach Center/Shelter, then north on Blount Rd. to W. Copans Rd where it turns and heads east to NW 3rd. Ave. and back to the Northeast Transit Center.
Hours of operation: Monday – Friday from 8:40 a.m. to 4:37 p.m.

Note: The City reserves the right to make minor adjustments (hours, frequency, days of operation, service areas, etc.) to these stated routes, in an effort to enhance the level of service. A minimum of two weeks' notice will be provided to the contractor, in the event minor adjustments are expected/required.
