4.3 Agreement for Re-Conveyance of Property. Developer agrees to complete construction of the Buildings and Improvements on the Property according to the Project Schedule (Exhibit 4), but in no event shall completion of said construction extend beyond July 31, 2022, even taking into account Permitted Delays. Developer's failure to complete construction shall cancel this Agreement and require Developer to immediately re-convey the Property back to the CRA in accordance with Article 20 herein and the Agreements for Re-Conveyance of Property attached hereto and made a part hereof as Exhibits 5 & 6.

The CRA shall record the fully executed Agreements For Re-Conveyance of Property simultaneous with the CRA's recording of the Quit Claim Deeds (Exhibits 7) conveying the Property to Developer in accordance with this Agreement.

The Declaration of Covenants and Restrictions (the "Restrictive Covenants"), attached to this Agreement as Exhibits 5 & 6, shall be for a term of ten (10) years commencing upon the date of Developer's conveyance of the Property to a Qualified Buyer. Among other things, the Restrictive Covenants shall restrict ownership of the Property to persons or families earning one hundred twenty percent (120%) or less of the average median income for Broward County. Anyone who purchases the Property during the 10 year restrictive period is subject

to the Restrictive Covenants.

The CRA's deferred loan-to-grant in the amount associated with each lot labeled as "2018 Assessed Value" as shown according to Table 4.1.1 above will be evidenced by a promissory note and mortgage (the "Loan Documents") in form acceptable to the CRA or City Attorney. The Loan Documents will provide that the loan will bear interest at zero percent (0%) and will decrease at the rate of 1/120th each month of the restrictive term described in the Restrictive Covenants so that the entire sum will be forgiven in 10 years if there is no default. Should a default occur at any time during the 10 year term, the homeowner will be obligated to repay the CRA the unamortized balance of the loan-to-grant amount owing at default. In the event that the homeowner fails to satisfy the repayment of the unamortized balance upon default, any indebtedness remaining unpaid shall, at the CRA's sole option, be subject to an interest rate of six percent (6%) per annum compounded monthly.

The term of this Agreement shall commence on the date this Agreement is executed by the later of the CRA or Developer and end when Developer receives a Certificate of Occupancy from the City of Pompano Beach Building Department. During this period, the Developer shall be bound by, and must comply with, the terms and conditions imposed upon the Property by this Agreement, the Agreements for Re-Conveyance of Property and the Restrictive Covenants. The obligations contained in the Agreements for Re-Conveyance and the Restrictive Covenants shall survive the term of this Agreement.

## **ARTICLE 6 CONDITIONS PRECEDENT TO CONVEYANCE**

The CRA shall have no obligation to convey the Property to Developer unless all conditions precedent to conveyance have been satisfied, completed or performed. The following are conditions precedent to the CRA's conveyance of the Project Site to Developer:

6.1 Evidence of Financing Commitment(s) For Construction Financing. Developer acknowledges that it has sole responsibility for all Project expenses. This Agreement and conveyance of title to the Property is expressly made contingent upon Developer providing the CRA with evidence satisfactory to the CRA that Developer has Financing Commitments and sufficient equity capital for construction of all the Building and Improvements on the Project Site.

The Financing Commitments shall: (i) be in a form and content reasonably acceptable to the CRA's Contract Administrator; (ii) be subject to all the terms and conditions of this Agreement; and (iii) provide that Project Lenders give the CRA notice of any defaults by the Developer.

6.1.1 Upon Developer delivering the Financing Commitments to the CRA, the CRA shall respond in writing within ten (10) business days as to the acceptability of such commitment(s) with approval not to be unreasonably withheld, conditioned or delayed. If the Financing Commitments are unacceptable to the CRA, the CRA shall specify the matters which are unacceptable and provide Developer with a 30 day period to resubmit acceptable Financing Commitments. If the CRA fails to respond as specified above, the Financing Commitments shall be deemed acceptable.

6.1.2 In the event the Developer is unable to satisfactorily provide the Financing Commitments, Developer shall have ten (10) days to provide reasonable evidence to the CRA that it has sufficient financial resources available to complete construction of the Property as required by this Agreement. In the event Developer is unable to demonstrate sufficient financial resources as provided

herein, then the CRA may terminate this Agreement upon delivery of written notice to the Developer, upon which this Agreement shall be null and void and of no further force and effect, in which event the parties shall be released of all further obligations and liabilities to the other, except those which expressly survive termination hereof.

6.2 Developer shall provide evidence satisfactory to the CRA that it has all necessary approvals.

6.3 Pre-Closing Access to Property for Testing, Inspections, Etc. Prior to the CRA's conveyance of the Property to Developer, the CRA shall permit Developer's representatives to have access, at all reasonable times, to any part of the Project Site to which the CRA holds title for the purpose of obtaining data and making various tests concerning the Project Site necessary to carry out this Agreement. Said data and testing may include, but is not limited to, location and preconstruction surveys; soil borings; tests of on-site infrastructure; or other examinations of the Project Site which require that full possession of the Project Site be given to Developer.

6.3.1 Developer shall be solely responsible for repair of any damage to the Project Site or any property adjacent to the Project Site caused by Developer's pre-closing access to the Project Site for testing, inspections and any other activities conducted by Developer on the Project Site.

6.3.2 Developer shall indemnify and hold the CRA harmless as to any and all claims arising from Developer's access to the Project Site under this Article 6. The CRA shall provide Developer copies of available information regarding the Property, including site surveys, utility location drawings, soil borings, environmental reports and other similar documentation concerning the Property in its possession, but shall not be obligated to obtain, create or draft such documents if such are not within the CRA's possession or control. Notwithstanding the execution and delivery of this Agreement, Developer shall take no possession of the Property, other than the temporary access provided in this Article, until the CRA conveys it to Developer in accordance with this Agreement.

## **ARTICLE 7 DECLARATIONS RUNNING WITH THE LAND**

7.1 Restrictive Covenants. Simultaneous with the Conveyances, the CRA shall record the Declaration of Covenants and Restrictions (the "Restrictive Covenants") in the Public Records of Broward County, which Restrictive Covenants shall be binding on all parties and persons claiming under them or claiming any right, title, or interest in and to the Property for a period beginning with the date the Restrictive Covenants are recorded in the Public Records and ending ten (10) years later.

The Restrictive Covenants shall expressly provide that the Restrictive Covenants shall be covenants running with the land and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in this Agreement, be binding to the fullest extent permitted by law and equity for the benefit and in favor of, and enforceable by the CRA, its successors and assigns and any successor in interest to the Property or any party in possession or occupancy of the Property or any part thereof.

Only the CRA, its successors or assigns, may modify, amend, repeal or alter the Restrictive Covenants. Developer, its successors or assigns, shall not modify, amend, repeal or alter these restrictive covenants in whole or in part. Invalidation, in whole or in part, of any of the provisions of the Restrictive Covenants shall in no way affect any other provisions or parts thereof which will remain in full force and effect.

7.2 Permitted Use. Developer shall design, construct and market the Building and Improvements on the Property for single family residential use in accordance with this Agreement and the Restrictive Covenants.

7.3 Modification to Use. No change in use, whether principal or accessory, shall be instituted unless and until such use has been presented to and formally approved by the CRA.

Furthermore, with regard to the Building and Improvements, the Developer covenants and agrees with the provisions set forth below.

10.1 Notwithstanding any other provision or term of this Agreement or any Exhibit hereto, the Construction Plans for the Building and Improvements and any and all other work by Developer with regard to the Project shall be designed and prepared in compliance with all relevant federal, state and local laws, rules, regulations, ordinances and Building Code provisions. In addition, the Construction

10.2 The Building and Improvements shall be constructed and paid for wholly at the expense of the Developer.

10.3 The Construction Plans for the Building and Improvements must be prepared by an architect and engineer who is licensed ("Licensed Architect" and "Licensed Engineer") in the State of Florida to practice as such, and who actually practices as such in the State of Florida.

10.6.3 Minor cosmetic alterations of the external façade of proposed buildings, including new or renovated signage;

Developer shall, within five (5) days of the beginning of any interruption of construction anticipated to exceed thirty (30) days, request written approval by the CRA of a Permitted Delay, which request shall explain the reason for the interruption of construction and the anticipated period of such interruption. Approval of the Permitted Delay shall be in writing and shall include the date on which the Permitted Delay ends, unless further extended in writing by the CRA.

14.2 An interruption in construction that exceeds thirty (30) days and is not approved by the CRA as a Permitted Delay shall constitute a material default by Developer, subject to the cure period described in Article I. Permitted Delays in completing construction of the Building and Improvements shall not constitute a material default by the Developer provided that Developer resumes and continues construction within five (5) business days following the date on which such Permitted Delay ends.

### **ARTICLE 15 CARE AND MAINTENANCE DURING AND AFTER CONSTRUCTION**

15.1 During construction of the Building and Improvements, the Developer shall safely maintain the construction site, protect against damage to persons and property by reason of construction activities, and provide adequate security during non-construction periods.

15.2 In the case of damage or loss to the Building and Improvements, Developer shall, as soon as possible after the occurrence of such loss or damage, repair or rebuild them so that the Building and

Improvements are of the same general character as the approved construction plans and at least equal in value to the Building and Improvements prior to such loss or damage. Developer shall comply with Article 8 of this Agreement as to insurance requirements and the use of insurance funds for such damage or loss.

15.3 Permitted Delays excepted, such repairs shall begin within 60 calendar days after such occurrence or, if rebuilding is required, such rebuilding shall begin within 120 calendar days after such occurrence and in either case shall be completed in a reasonable time provided insurance funds are available, but in no event shall commencement of repairs or rebuilding be delayed beyond 180 days from the date of occurrence. The Developer shall pay for all such repairing and rebuilding so that the Property and the Building and Improvements shall be free and clear of all liens of mechanics and materialmen and similar liens arising out of such repair, rebuilding or reconstruction of the Building and Improvements.

## **ARTICLE 16 COMPLETION OF CONSTRUCTION**

The Developer shall complete the construction of all Building and Improvements, except for Permitted Delays, as set forth in the Project Schedule. It is understood and agreed that completion shall mean the final Certificate of Occupancy and the Notice of Completion have been issued on all Building and Improvements. ## **ARTICLE 17 NOTICE OF COMPLETION**

Within five (5) business days after Developer's completion of the Building and Improvements as evidenced by issuance of the Certificate of Occupancy, the CRA shall inspect the Building and Improvements for satisfactory completion. Upon completion of all Work contemplated under this Agreement, copies of all of the above data shall be delivered to the CRA representative upon the CRA's written request.

## **ARTICLE 20 DEFAULT AND REMEDIES**

20.1 Default by Developer. The following shall constitute an Event of Default under the Agreement:

20.1.1 Failure of Developer to meet the development timelines provided for in the Project Schedule (Exhibit 4), subject to any amendments executed by the parties which extended the development timelines, and such default continues for a period of 30 days after written notice from the CRA. Notwithstanding the foregoing, in the event a cure is not reasonably possible within 30 days, a Default shall not be deemed to occur in the event the Developer commences a cure within the 30 day period and proceeds with reasonable diligence to cure the Default thereafter;

20.1.2 Failure of Developer to comply with the material terms, conditions or covenants of this Agreement that Developer is required to observe or perform and such default continues for a period of 30 days after written notice from the CRA. Notwithstanding the foregoing, in the event a cure is not reasonably possible within 30 days, a Default shall not be deemed to occur in the event the Developer commences a cure within the 30 day period and proceeds with reasonable diligence to cure the Default thereafter;

20.1.4 Developer shall be unable to pay the Developer's debts as the same shall mature;

20.1.5 Developer shall file a voluntary petition in bankruptcy or voluntary petition seeking reorganization or to effect a plan or an arrangement with or for the benefit of Developer's creditors;

20.1.6 Developer shall apply for or consent to the appointment of a receiver, trustee or conservator for any portion of the Developer's property or such appointment shall be made without Developer's consent and shall not be removed within 90 days;

20.1.7 Prior to completing the Building and Improvements, Developer abandons or vacates any portion of the Project for a period of more than 30 consecutive days;

20.1.8 Failure of Developer to perform any other material covenants, agreements, undertakings or terms of this Agreement, or if the representations set forth herein are materially untrue or incorrect, then such breach shall be deemed a material default; and

20.1.9 If the Developer fails to perform any of the following construction activities related to the Building and Improvements required to be undertaken by the Developer ("Construction Activities"): (i) failure to give the Construction Notice as set forth in this Agreement; or (ii) failure to complete the Construction Conditions Precedent to Commencement within the time set forth in this Agreement; or (iii) failure to undertake the Commencement of Construction in accordance with this Agreement; or (iv) after Commencement of Construction has begun, failure to timely and continuously pursue construction of the Building and Improvements, except for Permitted Delays; then the CRA shall have the right to give Developer written notice of such failure.

20.2 Default by CRA. The following shall constitute an Event of Default under the Agreement:

20.2.1 Failure of the CRA to comply with the material terms, conditions or covenants of this Agreement that the CRA is required to observe or perform;

20.3 Remedies in the Event of Default.

20.3.1 General. If the Developer fails to cure an Event of Default within the time provided for such cure, the CRA shall have the right to terminate this Agreement and/or may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy said default or breach, including, but not limited to, proceedings to compel Developer's specific performance, damages for breach of contract, and, subject to the mortgage and other rights held by the Project Lender, forfeiture of Developer's interest in the Property, including the Building and Improvements, pursuant to this Agreement and the Agreement for Re-conveyance of Property.

20.3.2 Informal Dispute Resolution Process. The parties desire to minimize the adverse effect and cost of disputes in recognition of the complexities involved in implementing this Development Agreement. As to disputes between the CRA and the Developer, the parties agree that in the first instance, their respective Contract Administrators shall endeavor to resolve every dispute amicably and to also define the nature and extent of any disagreement to the extent possible. Both parties shall be entitled to have representatives present at any such meeting or conference.

If the parties' Contract Administrators are unable to reach an agreement within five business days after the dispute arises, the parties are encouraged, but not required, to seek the services of a mediator to facilitate dispute resolution. If the parties agree to mediation, the parties shall share the cost of such mediation equally.

20.4 Termination by Developer Prior to Conveyance.

20.4.1 If the CRA does not tender conveyance of the Property or possession thereof, in the manner and by the date provided in this Agreement, and such failure is not be cured within thirty (30) days after the Developer provides a written demand to the Contract Administrator, Developer may terminate this Contract or avail itself of any remedy allowable at law or in equity.

20.4.2 If the Developer fails to timely provide the CRA with evidence satisfactory to the CRA that Developer has Financing Commitments and sufficient equity capital for construction within the time and in the manner set forth above, then Developer shall have ten (10) additional days to provide reasonable evidence to the CRA that it has sufficient financial resources reasonably available to complete construction of the Property as required by this Agreement. In the event Developer is unable to demonstrate sufficient cash as provided herein, then the CRA may terminate this Agreement upon delivery of written notice to the Developer, upon which the parties shall be relieved of all further obligations and liabilities one to the other.

## 20.5 Termination by CRA Prior to Conveyance.

Except as may be specifically provided herein, upon the occurrence of either of the following conditions, this Agreement and any rights of Developer arising therefrom with respect to the CRA or the Property, shall be terminated at the CRA's option in which case neither Developer nor the CRA shall have any further rights against or liability to the other under this Agreement:

20.5.1 Prior to the conveyance of the Property to the Developer and in violation of this Agreement, the Developer or any successor assigns or attempts to assign this Agreement or any rights contained in this Agreement, or in the Property, or there is any change in the ownership or control of the Developer not permitted by this Agreement; or

20.5.2 The Developer fails to submit evidence of financing for the construction of the Building and Improvements in satisfactory form and in the manner so provided in this Agreement, and fails to provide reasonable evidence to the CRA that it has sufficient financial resources reasonably available to complete construction of the Property in accordance with this Agreement.

## 20.6 Reinvesting Title in CRA upon Default Subsequent to Conveyance to Developer.

Subject to the consent of the Project Lenders, the CRA shall have the right to take title to the Property if any of the following events occur:

20.6.1 The Developer (or successor in interest) shall materially default in or violate its obligations with respect to construction of the Building and Improvements or shall abandon or substantially suspend construction work, and any such default, violation, abandonment, or suspension shall not be cured, ended, or remedied within thirty (30) calendar days after the CRA gives written notice. Notwithstanding the foregoing, in the event a cure is not reasonably possible within 30 days, a Default shall not be deemed to occur in the event the Developer commences a cure within the 30 day period and proceeds with reasonable diligence to cure the Default thereafter; or

20.6.2 The Developer (or successor in interest) shall fail to pay real estate taxes or assessments on the Property or any part thereof when due, or shall place or suffer to be placed on the Property any encumbrance or lien not authorized by the Agreement, or shall breach any of the terms, conditions or covenants on any authorized encumbrance against the Property, or shall suffer any levy or attachment to be made, or any material men's or mechanic's lien, or any other unauthorized encumbrance or lien to attach, and such taxes or assessments shall not have been paid, or the encumbrance or lien removed, bonded or discharged or provision satisfactory to the CRA made for such payment, removal, bonding or discharge, or shall fail to cure any breach of the various terms and conditions of such encumbrances authorized by this Agreement within thirty (30) days after the CRA's written demand to do so; or

20.6.3 In violation of the Agreement, there is any transfer of the Property or any part thereof, or

any change in ownership or control of the Developer contrary to the terms of this Agreement, and such violation is not cured within thirty (30) days after the CRA's written demand to the Developer.

20.6.4 The Property becomes the subject of a foreclosure lawsuit filed on account of an alleged default on a mortgage held by any Project Lender.

It is the intent of this provision, together with other provisions of this Agreement, that in the event of any material default, failure, violation, or other action or inaction by Developer as set forth in this Agreement which Developer fails to timely remedy, providing there is consent from the Project Lenders, Developer shall convey its ownership interest in the Project Site to the CRA and yield up and surrender the Property peacefully and quietly to the CRA, including the complete or incomplete Building and Improvements and any equipment located thereon. Developer further agrees to execute and deliver to CRA such instrument or instruments as shall be required by CRA as will properly evidence termination of Developer's rights hereunder or its interest therein.

Accordingly, in the event the CRA elects to exercise the rights described in this Article, the CRA shall have the right to repossess the Property, the complete or incomplete Building and Improvements and any equipment located thereon. Developer acknowledges and agrees that Developer's interest and any and all rights therein shall terminate and the Property and the complete or incomplete Building and Improvements shall be the property of the CRA free and clear of any and all claims, rights, liens or encumbrances by, through or under the Developer, and that such title and all rights and interests of the Developer, and any assigns or successors in interest to and in the Property shall revert to the CRA provided that under such condition subsequent, the CRA's reversionary interest and any reinvesting of title in the CRA shall always be subject and subordinate to and limited by, and shall not defeat, render invalid or limit in any way the lien of any mortgage, holders of mortgages, Letter of Credit, or Letter of Credit Providers authorized by this Agreement for development and completion of the Project.

20.7 Other Rights and Remedies of the CRA; No Waiver by Delay.

The CRA shall have the right to institute such actions or proceedings as it may deem desirable for effectuating the purposes of this Agreement provided that any delay by the CRA in instituting or prosecuting any such actions or proceedings or otherwise asserting its rights under this Agreement shall not operate as a waiver of such rights or limit them in any way.

The intent of this provision is that the CRA shall not be constrained to exercise such remedy at a time when it may still hope to otherwise resolve the problems created by the default or risk being deprived of or limited in the exercise of the remedies provided in this Section because of concepts of waiver, laches, or otherwise. Further, nor shall any waiver in fact made by the CRA with respect to any specific default by Developer under this Agreement be considered as a waiver of the CRA's rights with respect to any other defaults by Developer under this Agreement or with respect to the particular default.

20.8 Permitted Delay in Performance for Causes beyond Control of Party.

Neither the CRA nor Developer (or any successor in interest) shall be considered in breach of its obligations with respect to commencing and completing construction of the Building and Improvements in the event of Permitted Delays due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, strikes; walkouts; acts of God; failure or inability to secure materials or labor by reason of priority or similar regulation or enemy action; civil disturbance; fire or other casualty.

In the event of the occurrence of any such Permitted Delay, the intent and purpose of this provision is that the time(s) for performance of Developer's obligations with respect to construction and completion of the Building and Improvements shall be extended for the period of the Permitted Delay as determined by the CRA provided that the party seeking the benefit of these provisions shall, within five

(5) days after the beginning of any such delay, have first notified the other party in writing of the cause or causes thereof and requested an extension for the period of the delay.

#### **20.9 Rights and Remedies Cumulative.**

The rights and remedies of the parties to this Agreement, whether provided by law or by the Agreement, shall be cumulative, and the exercise by either party of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same default or breach or of any of its remedies for any other default or breach by the other party, at the same or different times, of any other such remedies for the same default or breach or of any of its remedies for any other default or breach by the other party.

No waiver made by either party with respect to the performance, manner, time, or any obligation of either party or any condition under this Agreement shall be considered a waiver of any rights of the party making the waiver with respect to the particular obligation of the other party or condition beyond those expressly waived in writing or a waiver in any respect in regard to any other rights of the party making the waiver or any other obligations of the other party.

### **ARTICLE 21 NOTICES AND DEMANDS**

23.1 This Agreement is not assignable and Developer agrees it shall not sell, assign, transfer, merge or otherwise convey any of its interests, rights or obligations under this Agreement, in whole or in part, to any other person, corporation or entity.

23.2 Any attempt by Developer to assign or transfer any of its rights or obligations under this Agreement without first obtaining the CRA's written approval will result in CRA's immediate cancellation of this Agreement. Specifically, no assignment of any right or obligation under this Agreement shall be binding on the City or CRA without the formal written consent of the CRA Board.

23.3 In addition, this Agreement and the rights and obligations contained in this Agreement shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership, and in the event of Developer's insolvency or bankruptcy, CRA may at its option terminate and cancel this Agreement as provided for in Article 20 herein.

23.4 Nothing in this Agreement shall be construed to create any personal liability on the part of the CRA or its agent(s) nor shall it be construed as granting any rights or benefits under this Agreement to anyone other than CRA and Developer.

### **ARTICLE 24 ACCOUNTING AND RECORD KEEPING PROCEDURES**

24.1 CRA shall have the right to inspect the Property and the Project Site, as well as the right to audit

the books, records and accounts of Developer that are related to the Project. Developer shall keep such books, records and accounts as may be necessary in order to record complete and correct entries related to the Project.

24.2 Developer shall be required to record, preserve and make available, at reasonable times for examination by CRA, complete and accurate records for all activities and revenues generated under this Agreement, including all financial records, supporting documentation, statistical records, federal/state tax returns; and any other documents attendant to Developer's provision of goods and services under this Agreement for the required retention period of the Florida Public Records Act, Chapter 119, Florida Statutes, if applicable, or if the Florida Public Records Act is not applicable, for a minimum period of five years after termination of this Agreement.

24.3 However, if an audit has been initiated and audit findings have not been resolved, the records shall be retained until resolution of the audit findings. Any incomplete or incorrect entry in such books, records and accounts shall be a basis for CRA's disallowance and recovery of any such payment.

25.1 There shall be no discrimination in the use and marketing of the Property or any Building or Improvements and Developer, while acting pursuant to this Agreement, shall not discriminate against any worker, employee, patron or member of the public on the basis of race, creed, religion, age, sex, familial status, disability or country of national origin.

25.2 Developer shall not unlawfully discriminate against any person in its activities attendant to the Project and shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA), including Titles I and II regarding nondiscrimination on the basis of disability and all applicable regulations, guidelines, and standards. 25.3 Developer's decisions regarding the delivery of services under this Agreement shall be made without regard to or consideration of race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation, or any other factor which cannot be lawfully or appropriately used as a basis for service delivery.

25.4 Developer shall take affirmative action to ensure that the qualified homebuyers are treated without regard to race, age, religion, color, gender, sexual orientation, national origin, marital status, political affiliation or physical or mental disability during employment. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

## **ARTICLE 26 PUBLIC ENTITY CRIMES ACT**

By execution of this Agreement and in accordance with Section 287.133, Florida Statutes, Developer certifies that it is not listed on the convicted vendors list maintained by the State of Florida, Department of General Services.

## **ARTICLE 27 NO CONTINGENT FEE**

27.1 Developer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Developer to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Developer, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Agreement.

27.2 In the event of Developer's breach or violation of this provision, the CRA shall have the right to terminate this Agreement without liability and, at the CRA's sole discretion, to recover the full amount of such fee, commission, percentage, gift or consideration.

## **ARTICLE 28 WAIVER AND MODIFICATION**

28.1 Failure to insist upon strict compliance with any terms, covenants or conditions of this Agreement shall not be deemed a waiver of such, nor shall any waiver or relinquishment of such right or power at any time be taken to be a waiver of any other breach.

28.2 Either party may request changes to modify certain provisions of this Agreement; however, unless otherwise provided for in this Agreement, any such changes must be contained in a written amendment executed by both parties with the same formality as this Agreement. It is further agreed the omission of a term or provision contained in an earlier draft of this Agreement shall have no evidentiary significance regarding the contractual intent of the parties and that no modification, amendment or alteration in the terms or conditions contained in this Agreement shall be effective unless contained in a written document agreed to and executed by authorized representatives of both parties with the same formality as this Agreement.

28.3 Both parties acknowledge that Project Lenders may require certain modifications to this Agreement and agree to use their best efforts to effectuate such modifications. Approvals of such modifications shall not be unreasonably withheld. If commercially reasonable modifications required by such parties are not effectuated such that funding pursuant to the Financing Commitments is not available from any lender or other financing sources, then Developer may terminate this Agreement upon written notice to the CRA whereupon the parties shall be relieved of any further liability hereunder.

## **ARTICLE 29 ABSENCE OF CONFLICTS OF INTEREST**

29.1 Developer represents it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with its performance under this Agreement. Developer further represents that no person having any conflicting interest shall be employed or engaged by it for said performance.

29.2 Developer shall promptly notify the CRA in writing by certified mail of all potential conflicts of interest for any prospective business association, interest or other circumstance that may influence or appear to influence Developer's judgment or quality of services being provided under this Agreement. Said notification shall identify the prospective business interest or circumstance and the nature of work that Developer intends to undertake and shall request the CRA's opinion as to whether such association, interest or circumstance would, in the opinion of the CRA, constitute a conflict of interest if entered into by Developer.

## **ARTICLE 30 NO WAIVER OF SOVEREIGN IMMUNITY**

Nothing contained in this Agreement is intended to serve as a waiver of sovereign immunity by

the CRA.

### **ARTICLE 31 SEVERABILITY**

The invalidity of any provision hereof shall in no way affect or invalidate the remainder of this Agreement.

### **ARTICLE 32 JURISDICTION, VENUE AND WAIVER OF JURY TRIAL**

32.1 This Agreement shall be governed by the laws of the State of Florida, both as to interpretation and performance. CRA and Developer submit to the jurisdiction of Florida courts and federal courts located in Florida. In the event of a dispute as to the interpretation or application of or an alleged breach of this Agreement, the parties agree that proper venue for any suit at law or in equity attendant to this Agreement shall be instituted and maintained only in courts of competent jurisdiction in Broward County, Florida, and that such dispute shall be heard by a judge, not a jury. CRA and Developer expressly waive any rights they have to a trial by jury.

32.2 No remedy conferred upon any party by this Agreement is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and in addition to every other remedy given by this Agreement, now or hereafter existing at law or in equity or by statute or otherwise.

### **ARTICLE 33 BINDING EFFECT**

Upon execution of this Agreement, a copy of this Agreement shall be recorded in the Public Records of Broward County, Florida. This Agreement shall be binding upon and enforceable by and against the parties to this Agreement, their personal representatives, heirs, successors, grantees and assigns.

### **ARTICLE 34 ATTORNEY'S FEES**

In the event of any litigation involving the terms and conditions of this Agreement or otherwise relating to the transaction encompassed by this agreement, it is understood and agreed that the prevailing party in such litigation shall be entitled to recover from the non-prevailing party reasonable attorney and paraprofessional fees, as well as all out-of-pocket costs and expenses incurred by the prevailing party in such litigation through all appellate levels.

### **ARTICLE 35 NO THIRD PARTY BENEFICIARIES**

Developer and CRA acknowledge and agree that this Agreement, the Agreement For Re-Conveyance of Property, the Declaration of Covenants and Restrictions and other contracts and agreements pertaining to the Project will not create any obligation on the part of Developer, the CRA or the City to third parties. No person not a party to this Agreement, except the City, will be a third-party beneficiary or acquire any rights hereunder.

### **ARTICLE 35**

## **APPROVALS**

36.1 Whenever CRA approval is required for any action under this Agreement, either by the CRA Board or its Contract Administrator, said approvals shall not be unreasonably withheld.

36.2 Provided the CRA does not incur any cost or liability for doing so, the CRA shall cooperate with Developer and timely execute any documents necessary to secure Site Plan approval, connection to all utilities, and all required development permits.

## **ARTICLE 37 FORCE MAJEURE**

37.1 Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, tropical storm, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of God or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall economic hardship or lack of funds be considered an event of Force Majeure.

37.2 If either party is unable to perform or delayed in their performance of any obligations under this Agreement by reason of any event of force majeure, such inability or delay shall be excused at any time during which compliance is prevented by such event and during such period thereafter as may be reasonably necessary for either party to correct the adverse effect of such event of force majeure.

37.3 In order to be entitled to the benefit of this provision, within five days after the beginning of any such delay, a party claiming an event of force majeure shall have given the other party written notice of the cause(s) of the event, requested an extension for the period and also diligently proceeded to correct the adverse effect of any force majeure. The parties agree that, as to this Article, time is of the essence.

## **ARTICLE 38 INDEPENDENT CONTRACTOR**

Developer is an independent contractor under this Agreement and services provided by Developer pursuant to this Agreement shall be subject to the supervision of CRA. In performance of its obligations under this Agreement, neither Developer nor its agents shall act as officers, employees or agent of the CRA. This Agreement shall not constitute or make the parties a partnership or joint venture.

## **ARTICLE 39 OWNERSHIP OF DOCUMENTS**

All reports, plans, surveys, information, documents, maps and other data procedures Developer developed, prepared, assembled or completed for construction of the Building and Improvements shall be co-owned by the CRA without restriction, reservation or limitation of their use, and shall be made available by Developer at any time upon request by CRA. Upon completion of all Work contemplated under this Agreement, copies of all of the above data shall be delivered to the CRA representative upon CRA's written request.

## **ARTICLE 40 ENTIRE AGREEMENT AND INTERPRETATION**

40.1 This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and both parties agree there are no commitments, agreements or understandings concerning the subject matter that are not contained in this Agreement. Accordingly, both parties agree no deviation from the terms of this

Agreement shall be predicated upon any prior representations or agreements, whether oral or written.

40.2 This Agreement shall be interpreted as if drafted by both parties equally and each party has had the opportunity to be represented by counsel of their choice. Regardless of which party or party's counsel prepared the original draft and subsequent revisions of this Agreement, both CRA and Developer and their respective counsel have had equal opportunity to contribute to and have contributed to its contents, and this Agreement shall not be deemed to be the product of, and therefore construed against either party.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date and year first above written.

**9 Vacant Lots Zoned B-2**  
27 Avenue Between 1st & 6th Street

Request From  
Habitat of Humanity

January 17, 2019

Woody Hughes  
Vice President of Operations  
Habitat for Humanity of Broward, Inc.

Nguyen Tran  
Community Redevelopment Agency  
City of Pompano Beach

Dear Tran,

Please accept this letter as an unsolicited request to develop 9 vacant lots currently owned by the Pompano Beach CRA in the North West redevelopment area. Habitat for Humanity just finished a build of six units on 6<sup>th</sup> street / 27 Avenue near the vacant lots proposed and would like to continue its work beautifying the area along with offering much needed affordable housing. As you know, Habitat has many homeowners from the city of Pompano Beach that are in need of housing. We provide one of the best solutions by offering our homeowner low cost mortgages as well as only serving below 80% of AMI. Habitat is very grateful for the partnership with the CRA that goes back two decades with great success in the NW section of Pompano. Habitat is currently negotiating to purchase 5 additional lots in Exhibit A to make even a greater impact on the area.

Below are the parcel #'s of the proposed vacant lots we would like the build:

- |                    |                    |
|--------------------|--------------------|
| 1. 4842 33 04 3200 | 6. 4842 33 04 2370 |
| 2. 4842 33 04 3190 | 7. 4842 33 04 2360 |
| 3. 4842 33 04 4730 | 8. 4842 33 04 7370 |
| 4. 4842 33 04 5280 | 9. 4842 33 04 7380 |
| 5. 4842 33 04 5290 |                    |

See Exhibit A for Lot locations.

Enclosed I have provided home renderings (Exhibit B), proposed floor plan (Exhibit C) and current building budget (Exhibit D). Individual lot BCPA data is all included.

Currently these lots are B-2 and will have to be rezoned as well as some being reoriented not to access 27 Avenue. Once an agreement has been met with the CRA, Habitat will immediately start working with the city to have all lots rezoned to RS-3 residential to allow proper allowable use. Townhouse plans will be developed in cooperation with CRA according Budget included.

I greatly appreciate your help with matter and look forward to hearing back from you.

Thank you,

*Woody Hughes*

## **DECLARATION OF COVENANTS AND RESTRICTIONS**

THIS DECLARATION OF COVENANTS AND RESTRICTIONS ("Declaration") is made and executed this \_\_\_\_ day of \_\_\_\_\_, 2019, by HABITAT FOR HUMANITY OF BROWARD, INC., a Florida Not for Profit Corporation ("Developer"), whose mailing address is 3564 North Ocean Boulevard, Fort Lauderdale, Florida 33308.

### **WITNESSETH:**

WHEREAS, Developer and the Pompano Beach Community Redevelopment Agency ("CRA") entered into that certain Property Disposition and Development Agreement (the "Development Agreement"); and

WHEREAS, the Development Agreement provides that the CRA shall donate nine (9) CRA owned parcels (the "Property") to Developer and Developer shall construct nine (9) detached single family homes containing a 3-bedroom or 4-bedroom model with 2-baths, 1-car garage and approximately 1,370 square feet under air with site improvements to include but not be limited to parking, drainage and landscaping on the Property by July 31, 2022 (the "Project"); and

WHEREAS, the Development Agreement provides that the Developer shall record a declaration of covenants and restrictions (the "Declaration") as to the Project; and

WHEREAS, by the terms of the Development Agreement, the Developer owns the Property, more particularly described on Exhibit "A" attached to and made a part of this Declaration by reference; and

NOW, THEREFORE, Developer hereby voluntarily declares that all of the Property shall be held, transferred, sold, conveyed, leased, mortgaged, used and improved subject to the following covenants and restrictions in favor of the CRA which shall be deemed covenants running with the land and be binding on all parties having any right, title or interest in the Property, their heirs, successors and assigns during the term of this Declaration.

#### **A. Restrictive Use of Property.**

This Declaration shall be for a term of 10 years and shall restrict ownership of the Property to persons or families earning one hundred twenty percent (120%) or less of the average median income for Broward County. Anyone who purchases the Property during the 10 year restrictive period is subject to this Declaration.

During the restrictive period, the CRA deferred loan-to-grant amount for each lot conveyed as shown in the table below, bears zero percent interest (0%) and will decrease at a rate of 1/120th each month so that the entire sum will be forgiven in 10 years if there is no default. Should a default occur at any time during the 10 year term, the homeowner will be obligated to repay the CRA the unamortized balance of the loan-to-grant amount owing at default. In the event that the homeowner fails to satisfy the repayment of the unamortized balance upon default, any indebtedness remaining unpaid shall, at the CRA's sole option, be subject to an interest rate of six percent (6%) per annum compounded monthly.

The just values of the Property in 2018 as assessed by the Broward County Property Appraiser as follows:

C. Maintenance of the Project.

(i) The Property and all buildings and improvements thereon shall be maintained in a clean, sanitary and safe condition. The Property shall be appropriately landscaped and maintained in accordance with the City's Code of Ordinances. No portion of the Property shall be allowed to become or remain overgrown or unsightly.

(ii) The Property may not constitute a public nuisance for drug-related, prostitution-related, or stolen-property-related public nuisances and criminal gang activity as determined by the standards set forth in § 893.138(2)(a)-(e), Florida Statutes, as currently written or modified.

The CRA may enforce this Declaration in any judicial proceeding in any court of competent jurisdiction seeking any remedy recognizable at law or in equity, including injunctive relief and specific performance, against any person, firm or entity violating or attempting to violate any term or condition of these covenants. The CRA's failure to enforce any provision contained in this Declaration shall in no event be deemed a waiver or such provision or of the CRA's right to thereafter enforce such provision.

E. Covenants; Binding upon Successors in Interest; Term; Severability.

(i) It is intended and agreed that this Declaration shall run with the land and be binding, to the fullest extent permitted by law and equity, upon the Developer, its successors and assigns, for the benefit and in favor of, and enforceable by the CRA only.

(ii) This Declaration shall become effective upon recordation in the Public Records of Broward County, Florida. The restrictions, covenants, rights, and privileges granted, made, and conveyed herein shall run with the land and be binding on all persons and entities acquiring title to or use of the Property, or any portion thereof, and all persons and entities claiming under them, until that date which occurs ten (10) years following the date this Declaration is recorded in the Public Records of Broward County.

Wherever used herein, the terms "Developer" and CRA shall include their heirs, personal representatives, successors, agents and assigns.

(iii) Invalidation, in whole or in part, of any of the restrictive covenants by judgment of a court of competent jurisdiction shall in no way affect any of the other provisions or parts thereof which will remain in full force and effect.

F. Transfer of Title. During the term of this Declaration, any conveyance of the Property shall be subject to this Declaration and this Declaration shall be expressly referred to in any such conveyance.

G. Amendments, Modifications and Terminations. If the Developer desires to use the Property or any portion thereof for any use other than those permitted hereby, or otherwise desires to modify or terminate this Declaration, the Developer shall be required to apply to the CRA for an amendment of, or termination of these covenants and restrictions as to the particular affected property.

No waiver, modification or termination of this Declaration shall be effective unless contained in a written document formally approved by the CRA. The CRA shall have sole discretion as to whether to modify or terminate any covenants and restrictions as to any portion of the Property.

H. Subordination. CRA acknowledges and agrees that: (i) the terms and provisions of this Declaration and all rights and obligations described herein are and shall be subordinate to the mortgage, security interest and rights granted to any institutional, governmental or other mortgagee or financing sources (collectively, "Lenders") in connection with any loans made by such Lenders relating to all or any portion of the Property only as to liens, judgments, monetary encumbrances and other financial obligations arising in connection with this Declaration; (ii) the subordination herein described shall be self-operative and effective without the requirement for the execution of a separate instrument; (iii) although a separate subordination is not required, if required by such Lenders, CRA agrees to execute any agreement reasonably requested of them by such Lenders pursuant to formal approval by the CRA Commission; and (iv) while neither Lenders nor their successors in interest shall be liable for any obligations, claims, violations, liabilities, breaches or other matters arising prior to their acquisition of fee simple title to the Property through foreclosure or deed in lieu of foreclosure, in the event of such acquisition of fee simple title, Lenders or their successors in interest shall be subject to the restrictions and covenants contained in this Declaration.

I. No Discrimination. By accepting a deed for conveyance of any portion of the Property and as part of the consideration thereof, the Developer, its heirs, personal representatives, successors in interest, and assigns, agrees not to unlawfully discriminate against any person in the exercise of its obligations under this Declaration and to take all such actions without regard to race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation, or any other factor which cannot be lawfully used in the exercise of its obligations under this Declaration.

J. Governing Law and Venue. This Declaration shall be governed by the laws of the State of Florida, both as to interpretation and performance, and the proper venue for any resulting suit at law or in equity shall be instituted and maintained only in courts of competent jurisdiction in Broward County, Florida.

No remedy herein conferred is intended to be exclusive of any other remedy and each such remedy shall be cumulative and in addition to every other remedy provided herein, now or hereafter existing at law or in equity or by statute or otherwise.

IN WITNESS WHEREOF, the Developer has executed this Agreement on the date and year first above written.
