Eastern Waste Systems (EWS) was founded over 16 years ago. They have the largest fleet of grapple trucks in Florida. Since 2006, they have been the bulk materials hauler for the City of Pompano Beach. They were instrumental in the recovery effort during the Hurricane Irma event. They have a \$100,000 bonding capacity. No subcontractors listed, concerns over ability to commit to City needs if they have multiple contracts. Has never been a primary contract holder.
