B. The rent shall be adjusted automatically each year thereafter on October 1 of such year beginning on October 1, 2005 (first adjustment date) by adding to the then current monthly rental the amount obtained by multiplying such current rent by the change, expressed as a percentage of the following:

(1) The latest National Consumer Price Index All Urban Consumers (CPI-UC) as determined and recorded by the United States Department of Labor, Bureau of Labor Statistics, as available June first prior to the expiration of the fiscal year immediately preceding the adjustment date.

(2) The rent shall be adjusted by one hundred percent (100%) of the change for each fiscal year ending September 30. PG'S agrees to dispose of all refuse and garbage where and as directed by the City Manager or his/her designee, at PG'S' expense, and to keep outside container areas clean at all times.

18. MAINTENANCE REQUIRED BY PG'S.

PG'S agrees to provide the necessary management and labor and continuously maintain and repair the Leasehold Premises including all operating equipment, fixtures, utility services and connections on the Leasehold Premises, janitorial and custodial services, trash and garbage removal services, all heating, ventilating, air conditioning equipment, pipes and conduits, and any and all other related services necessary to maintain the Leasehold Premises in good, safe, sanitary condition and repair throughout the term of this lease and agreement. PG'S

shall be responsible for painting and decorating the interior of the Leasehold Premises structures and maintaining and repairing its equipment and fixtures, furnishings and other property in good condition and repair. All such maintenance and repair shall be at PG'S' sole expense and will be subject to general inspection by CITY to insure a continuing quality of maintenance and appearance and physical condition of the Leasehold Premises. In the event that the Leasehold Premises and all of the property shall not be kept by PG'S as required herein, CITY may enter the Premises (without such entering causing or constituting a termination of this Lease or an interference with the possession of the premises by PG'S) and may cure the default of PG'S. Should such event occur, PG'S agrees to pay CITY in addition to the rent, all costs and expenses incurred by CITY in curing such default.

The CITY's responsibility for maintenance shall be solely limited to the roof, exterior walls, HVAC repairs or replacement over \$300, landscaping maintenance, maintenance of the parking lot and painting of the outside of the Leasehold Premises. All other maintenance and repair shall be the sole responsibility of PG'S.

19. DELIVERY OF SUPPLIES.

PG'S shall arrange for delivery of supplies and material used by it at the restaurant, banquet facility, bar, refreshment stand and mobile carts at all times and in a manner so that such deliveries do not create congestion or an undue interference with the regular operation and maintenance of the golf course.

20. ADVERTISEMENT.

PG'S shall be entitled to advertise it's business operation, including special events, by written or printed information, provided such advertisements comply with all local sign, banner or poster ordinances and all printed information conforms to the then existing

community standards of good taste and appropriate for viewing by children and adults in the community. PG'S covenants and agrees that should the City Manager or his/her designee or designee object to advertisements of any manner or form which are placed on or about the Leasehold Premises, buildings or spaces under its control or elsewhere, or in any newspaper or otherwise, PG'S shall immediately take all steps necessary to cease such objectionable advertisement.

21. STORAGE OF COMBUSTIBLE MATERIALS.

PG'S shall not use or permit the storage of any illuminating oils, candles, oil lamps, turpentine, benzine, naphtha or other similar substances or explosives of any kind, or any substances or thing prohibited in the standard policies of fire insurance companies in the State of Florida, in any building(s) erected or to be erected on any of the premises.

22. INSPECTION.

It is agreed that the Leasehold Premises may be inspected during normal business hours by the City Manager or his/her designee or his authorized representatives or representatives of the County Department of Health. PG'S agrees that if PG'S is notified by the City Manager or his/her designee or his or her designee that any part of the Leasehold Premises or facilities thereof are in violation of any health regulations, laws, regulations, ordinance or provisions of this Agreement, PG'S must initiate action to remedy the same within a reasonable time. PG'S expressly understands and agrees that health or safety issues must be remedied at once. Violations that do not involve health or safety issues must be remedied as soon as possible, but not more than thirty (30) days of the violation.

23. NO UNLAWFUL USE.

PG'S agrees not to use, nor suffer or permit any person to use in any manner whatsoever the said Leasehold Premises or any part thereof, or any building thereon for any illegal purpose, or for any purpose in violation of any federal, state or municipal law, ordinance, rule, order or regulation of CITY now in effect or hereafter enacted or adopted, and will protect, indemnify and forever save and keep harmless CITY and the individual members and their agents, from and against any damage, penalty, fine, judgment, expense or charge suffered, imposed, assessed, or incurred for any violation or breach of any law, ordinance, rule, order or regulation occasioned by any act, neglect or omission of PG'S, or any employee, person or occupant for the time being of said Leasehold Premises; and in the event of any violation, or in case the City Manager or his/her designee or his or her designee shall deem any conduct on the part of PG'S, or the said lease, concession or the operation thereof to be in violation of the provisions set forth herein, the City Manager or his/her designee shall have the right and power and is hereby authorized by PG'S, upon providing notice of unlawful use, and upon PG'S' failure to remedy the unlawful use to terminate this Agreement pursuant to the provisions for cancellation set forth in this Agreement.

24. TAXES AND LICENSES.

PG'S shall promptly pay any and all taxes which shall include all sales tax and shall include, but not be limited to, any and all taxes assessed on the property by reason of PG'S use thereof pursuant to the provisions of this Agreement and shall, in addition, promptly pay any and all excise or license fees of whatever nature applicable to this operation and lease of the Premises, and take out and keep current all licenses and permits, municipal, state or federal required for the

conduct of the business, and further shall not permit any of said taxes, excise or license fees to become delinquent.

PG'S also shall not permit any mechanic's or materialmen's or any other lien to be imposed upon the Leasehold Premises or any part or parcel thereof by reason of any work or labor performed or materials furnished by an mechanic or materialman to or upon or regarding said property or said lease herein granted. In the event a mechanic's or material men's or any other lien is placed against the Leasehold Premises or any part or parcel thereof, PG'S shall either remove such lien by posting a sufficient bond within ten (10) days after receipt of notice of such lien or satisfy the lien. PG'S shall pay promptly when due all bills, debts and obligations incurred with the operation of the restaurant, banquet facility, bar, refreshment stands, mobile refreshment carts and food and beverage vending machines and not permit same to become delinquent and suffer no lien, mortgage, judgment, execution nor adjudication in bankruptcy which will in any way impair the rights of CITY under this Agreement.

25. WAIVER OF LIABILITY.

PG'S hereby waives any and all claims for compensation for any and all loss or damage sustained by reason of any interference by any public agency or official or damages caused by theft, vandalism or other wrongful acts of any kind or nature of third parties in the operation of this lease; any such interference shall not relieve PG'S from any obligation hereunder.

PG'S further hereby expressly waives any and all claims for compensation for any and all loss or damage sustained by reason of any defects, deficiencies or impairment of the electrical apparatus, water supply equipment or wires furnished for the premises hereby granted, or by reason of any loss or impairment of light, current or water supply which may occur from

time to time for any cause, for any loss or damage sustained by PG'S resulting from fire, water, hurricane, tornado, civil commotion, riot or theft; and PG'S hereby expressly waives all rights, claims and demands and forever releases and discharges CITY and its officers and agents from any and all demands, claims, actions and causes of actions arising from any of the causes aforesaid.

It is expressly understood and agreed by and between the parties hereto that the City Manager or his/her designee and his officers and agents are acting in a representative capacity and not for their own benefit, and that neither PG'S nor any occupant shall have any claim against them or any of them as individuals in any event whatsoever.

26. FUTURE IMPROVEMENTS.

CITY may, in the future, authorize improvements upon the Premises that CITY may, in its sole discretion, deem to be in the public interest. All such future improvements shall be subject to the approval of the City Commission. In the event any such improvement is done by PG'S without the approval of the City Commission, CITY may require PG'S, at CITY's option, to remove the same or cause the same to be changed to conform with the original construction upon the premises. In the event PG'S fails to commence removal or change within forty-five (45) days from written notice by CITY, CITY may effect removal or change and the cost thereof shall be borne by and be the responsibility of PG'S.

27. EXPENDABLE EQUIPMENT.

PG'S agrees, under the supervision of the City Manager or his/her designee, to supply, install and maintain, at its own cost and expense, all expendable items necessary for the operation of the restaurant, attached facilities, bar and refreshment stand. These expendable items shall include among other items such as glassware, brand new china and silverware,

cutlery, cash registers, food and beverage vending machines, pots and pans, kitchen utensils, etc. It is understood and agreed that title to expendable items vests in and belongs to PG'S. Upon the expiration of this Agreement, PG'S agrees that any expendable items owned by PG'S shall be removed from the premises within thirty (30) days of such expiration unless purchased by the succeeding Lessee or CITY.

28. INSPECTION BY PG'S.

PG'S agrees that it has inspected the premises including, but not limited to, the kitchen, walk-in refrigerator, air conditioner, restaurant, bar refreshment stand, ladies' and men's restrooms, and storage room, and agrees that such Premises are in a satisfactory condition and are suitable for the purpose of this Agreement, and that it is not relying upon any representation or statement by CITY or its officers or employees.

29. LICENSES.

PG'S shall have thirty (30) days in which to obtain the required state, county and local licenses and permits, or such other time as the licensing agency shall deem appropriate. In the event PG'S is rejected or is otherwise unable to obtain the required state, county and local licenses and permits for all operations called for in this Agreement, such rejection or inability will be cause for the termination of this Agreement.

30. SPECIAL PARTIES AND BANQUETS.

PG'S shall have the right to serve special parties, banquets, club meetings, special events and other similar functions.

31. CASH REGISTERS.

PG'S shall provide at the restaurant, bar, attached facilities and at the refreshment stand, cash registers with proper classification keys to record separate sales for beverages, food and other items.

PG'S shall purchase, install and maintain a Linked Point of Sale Cash Register System as required in the attached Accounting Methods And Procedures Addendum.

PG'S agrees to operate the system in accordance with Procedural Directives established by CITY in the attached Accounting Methods and Procedures as cross referenced with the operational manual of the cash register system to be installed by PG's.

32. BEVERAGE LICENSE.

PG'S shall maintain, at a minimum, in force at all times alcoholic beverages license, Beverage 1600707 4COPSR, which was transferred from the previous licensee provided, however, that PG'S shall be permitted to seek additional licenses.

At the expiration or termination of this Agreement, regardless of the reason for termination, CITY shall direct PG'S to transfer the alcoholic beverage license #1600707 4COPSR either to CITY or to a person or entity specified by CITY. PG'S shall promptly cooperate and do all things necessary to effect such subsequent transfer of the alcoholic beverage license.

33. NOTICE.

Whenever either party to this Agreement desires to give notice to the other, it must be given by written notice, sent by certified United States mail, with return receipt requested, addressed to the party for whom it is intended, at the place last designated, and the

place for giving notice shall remain such until it shall have been changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following respective places for giving of notice, to-wit:

FOR CITY:

City Manager
City of Pompano Beach
Post Office Drawer 1300
Pompano Beach, Florida 33061

FOR PG'S:

PG's On The Green, Inc.
1103 N. Federal Highway
Pompano Beach, Florida 33061
Attention: Patrick J. Galuppi

34. SURRENDER OF PREMISES.

PG'S agrees that upon the expiration as set forth herein or pursuant to some earlier termination of this Agreement, PG'S will quit and surrender the Premises in as good order and condition as reasonable use and wear thereof will permit.

35. ASSIGNMENT OR SUBLETTING.

PG'S may assign, transfer, convey, sublet or otherwise dispose of this Agreement or of this right, title or interest therein, or the power to execute this Agreement, to any other person, company or corporation upon consent by resolution of the City Commission. The City Commission consent shall be in its own discretion. This Agreement nor any of the rights herein granted shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in the insolvency or bankruptcy, either voluntary or involuntary or receivership proceedings; and in the event of insolvency or bankruptcy, either voluntary or involuntary, of PG'S, CITY may at its option terminate and cancel said Agreement

without any notice of any kind whatsoever, in which event all rights of PG'S hereunder shall immediately cease and terminate and it or its representatives shall immediately deliver up possession to CITY.

If PG'S shall, without previous written consent specified in the first paragraph of this section, assign, transfer, convey, sublet or otherwise dispose of the same, or his right, title or interest therein, or the power to execute this Agreement, to any other person, company or other corporation, CITY may revoke and annul Agreement, and CITY shall be relieved and discharged from any and all liability and obligation arising out of said Agreement to PG'S and to the person, company or corporation to whom he shall assign, transfer, convey, sublet or otherwise dispose of the same.

36. LIEN ON PERSONAL PROPERTY.

It is expressly agreed that CITY shall have a continuing lien on all personal property of PG'S which may be on the Premises for any and all sums which may from time to time become and be due to CITY under the terms of this Agreement, and upon default of payment by PG'S, CITY has the right to take possession of and retain same until the full amount due shall be paid, or to sell the same at public auction and, after deducting the expense of such sale, apply the balance of the proceeds to such payment, and if there be any deficiency, to resort to any legal remedy.

PG'S further agrees not to remove from said Pompano Beach Golf Course any personal property brought thereon by PG'S for the purpose of this Agreement, except in the normal course of business or with the express written consent of the City Manager or his/her designee. Upon the expiration of the terms herein, if PG'S has made full payment under this Agreement, and carried out the terms of this Agreement, PG'S may remove its personal

property from the facilities and shall do so within two (2) weeks after the end of the term herein stated and upon failure to do so, CITY by its officers and agents may cause the same to be removed and stored at the cost and expense of PG'S and CITY shall have a lien thereon in the amount of the cost and expense of such removal and storage until paid and may sell such personal property and reimburse itself for such cost and expense plus the expense of the sale.

37. DESTRUCTION OF PREMISES.

If, during the term of this Agreement, the Leasehold Premises, including restaurant, restaurant bar, and/or refreshment stand are destroyed or damaged by an act of God, war, or other catastrophe, so that same is unfit for occupancy or use, PG'S must rebuild the facility using insurance funds, provided for in the Agreement and maintained on the Leasehold Premises. In the event the Leasehold Premises is destroyed or damaged as set forth above and PG'S is required to rebuild, PG's must have all plans approved by the City Commission before rebuilding the Leasehold Premises. PG'S shall receive an abatement of rent during construction and prior to the issuance of Certificate of Occupancy, time or construction being of the essence.

38. ENTIRE AGREEMENT.

This document incorporates and includes all prior negotiations, correspondence, conversations, agreements or understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written.

It is further agreed that no modifications, amendment or alteration in the terms of conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

39. SECURITY FOR PERFORMANCE BOND OR CASH.

PG'S agrees that it has delivered to CITY and will at all times during the term of this Agreement maintain in effect a valid bond payable to CITY in a company acceptable to and approved by the City Manager or his/her designee and Risk Manager of CITY, which bond shall be conditioned upon PG'S performing each and every condition of this Agreement; provided, however, that if at any time during the term of this Agreement, in the opinion of the City Manager or his/her designee of CITY, the amount of the bond required herein is insufficient to properly protect CITY from loss hereunder, the said City Manager or his/her designee may, in writing state his reasons, require the bond then in effect to be increased, in a reasonable amount. The number of copies supplied shall be as requested by the said City Manager or his/her designee. The said bond shall be in the amount of Ten Thousand and 00/100 (\$10,000.00) Dollars.

40. ALTERATION OR IMPROVEMENTS BY CITY.

CITY reserves the right, from time to time, at its own expense and by its officers, agents and contractors, to make such renovations, repairs and changes in and about the Premises, other than those herein provided for PG'S to do, as CITY deems desirable. In such event, PG'S agrees to make no claim against CITY, its officers, agents and contractors, for interference with, loss or damage to the business during such renovations, repairs and changes; provided, however, that payment of compensation by PG'S shall be abated for any period during which PG'S is prevented from conducting all of its business due to such renovations,

repairs and changes. The provision for abatement of rent shall not apply when PG'S is the entity which is doing the work. In making any renovations, repairs, etc., the CITY shall use its best efforts so as not to disrupt PG'S' business or to minimize any such disruptions.

41. CANCELLATION.

Violation of any of the covenants, duties or terms of this Agreement shall be cause for termination of this Agreement. CITY reserves the right to terminate this Agreement should any of the following occur:

- A. Institution of proceedings in voluntary bankruptcy by PG'S.
- B. Institution of proceedings in involuntary bankruptcy against PG'S if such proceedings continue for a period of ninety (90) days.
- C. Assignment by PG'S for the benefit of creditors.
- D. Abandonment by PG'S for a period of seven (7) days of discontinuation of operations hereunder.
- E. Total or partial destruction of premises by fire or any other casualty and election by CITY not to rebuild or repair after considering whether or not it would be economically feasible to rebuild or repair. In the event the damage caused is totally covered by insurance and will result in no expense to the City, PG'S shall be entitled to rebuild or repair the Leasehold Premises. In the event the damage is greater than insurance proceeds and the City initially determines it would not be economically feasible to rebuild or repair, and should the City later reverse it's decision during the remaining term of this Agreement, then upon delivery of all insurance proceeds received by it as a result of payment for the damage, PG'S would be entitled to resume operations, following the issuance of a Certificate of Occupancy, for the remaining term of this Agreement upon the same terms and conditions as if the damage had not occurred.
- F. Violation of any other covenant, duty or term of this Agreement.

CITY shall have the right to terminate the Agreement for non-payment of any sum due hereunder, when non-payment continues for a period of thirty (30) calendar days after

the due date for such payment. Before termination for non-payment, CITY shall send to PG'S a written notice of termination of Agreement via certified mail at least fourteen (14) days in advance of the termination date. Should PG'S pay all sums and interest due within the fourteen (14) days' notice period, termination shall not occur. The interest due shall be calculated at the rate of 1.5% per month of the outstanding balance for an effective annual rate of eighteen (18%) percent. However, should such termination proceedings be initiated three times or more in any twelve (12) month period, CITY shall have the right to immediately terminate the Agreement without further notice.

The failure of CITY to enforce any covenant, duty, term or condition of the Agreement shall not be deemed to void or affect the right of CITY to enforce the same covenant, duty, term or condition on the occasion of a subsequent default or breach.

42. For the purposes of this Agreement, the parties agree that wherever the City Manager or his/her designee is given the authority to make decisions, to give direction or take action, such decisions shall be reasonable considering the facts, circumstances and in the best interest of the public.

43. Operation of the Golf Course and all other activities not specifically granted to PG'S by this Agreement shall remain under the control and/or responsibility of the City. PG'S shall have no involvement or interfere in anyway with the operation and maintenance of the golf course or any other facility or activity not specifically granted to PG'S.

IN WITNESS WHEREOF, the parties to this Agreement have set their hands and seals on the day and year first written above.
