Human Resources

To: Honorable Mayor Lamar Fisher & City Commission

Please accept this letter as notification of my intention to retire from my position as Internal Auditor for the City of Pompano Beach effective March 1, 2017. It is with a heavy heart that I leave the position which I have performed for over 32 years, but I have decided the time has come for me to begin my retirement and spend more time with my husband, children and grandchildren.

Many positive changes have occurred since I first came to the City. The services provided to our citizens and visitors have and continue to make me proud of my association with the City. The City's services, parks, facilities, beaches and corridors continue to improve in appearance and functionality.

Without exception, I wish to thank all current and former City Commissioners for their insight and thoughtful approach while deliberating the many agenda items for the City's common good. I also extend my sincere appreciation for your support, feedback and confidence throughout my employment as Internal Auditor.

The teamwork and vision provided by City Commission have helped immeasurably in the performance of my duties. Additionally, I extend my thanks for the time you spent in meetings with me to review annual Internal Audit Activity reports or on other matters.

I also wish to express my sincere appreciation to the current and past City Managers, current and past City Management staff along with the East and West Community Redevelopment Agencies (CRA's) for their time and cooperation. The City and the CRA's are fortunate to have professional staff who steadfastly work to insure the City and the CRA's achieve their full potential.

During my final time as Internal Auditor, I will continue to perform planned internal audits and make myself available to assist in any capacity toward a smooth transition for the future of our City and the Internal Audit Division.

I shall always remember my time with the City fondly and wish everyone the very best.

Sincerely,

Barbara T. DeLeon
Internal Auditor

Barbara T. DeLeon

cc: Dennis Beach, City Manager
