RE: Martin Luther King Jr. Blvd Streetscape Project-Request for Additional CEI Funds
City Bid Number: T-35-15
FDOT FM Number: 432861-1-58-01

Dear Mr. Danovich,

Please accept this letter as our official request for \$125,203.10 in additional CEI funds on the above referenced project. The additional funds will compensate CGA, Inc. and its sub consultants for the additional CEI services required due to the addition of extra work requested by the County and reflected in revision number 11-14 and the signalization plans added to the contract. The changes requested by the County included the addition of a new signalized intersection on MLK Blvd. and NW 27th Avenue, widening the roadway at multiple locations to accommodate vehicles making U-turns, and changes to the median access plan along MLK Blvd. The changes were negotiated with the contractor and will cost \$690,996.56. The changes will also extend the contract time through June 30th, 2017. The additional requested funds will cover all CEI costs associated with managing this LAP contract as required by the Department of Transportation. I have attached a copy of our cost estimate to this letter for your reference.

If you have any questions or require anything further information, please don't hesitate to contact me.

Sincerely,

CALVIN, GIORDANO & ASSOCIATES, INC.
